REPORTS

METHOD OF MAKING APPORTIONMENTS

Report of Committee

The Special Committee appointed to study the Method of Making Apportionments wishes to submit the following for the consideration of the Conference:

1. The Committee recognizes the fact that there are certain inequities in the present method used by this Conference in apportioning its a kinglys to the various districts and charges. However, the plan as presently being used is generally understood by the members of the Conference.

2. The method used at present is the basis for making apportionments adopted by the General Conference during its last session after long and deliberate consideration and a sincere attempt to arrive at a plan of apportioning which would be acceptable to the majority of churches throughout Methodism. We recognize that it does not necessarily follow that such a plan would meet the requirements of the Louisiana Conference, but we do feel that this matter was thoroughly studied by the Committees of General Conference in an effort to reach a fair and equitable basis for distribution.

3. This committee has before it for study an alternate proposal for revising the method presently used in making our apportionments. We have already determined that certain recommendations in this proposal are definite improvements over our present basis; however, we recognize also that there are certain inequities in the proposal which would be more unsatisfactory than our present method. We therefore feel that more detailed study should be made of this proposal and its possible effect on churches throughout the Conference before proper recommendations can be made concerning it. We understand also that there are other suggested plans and proposals which may or may not be introduced to this Conference while in session. If such be the case, it is the feeling of this Committee that a complete study and analysis of any and all additional proposals should be made before any recommendations are submitted to the Conference.

4. The Commission on World Service & Finance is the agency of this Conference charged with the responsibility of administering the finances and computing the apportionments under any basis which might be adopted by the Conference. The Commission on World Service and Finance is thoroughly conversant with the plan presently being used and realizes readily the inequities which exist and would, in our opinion, be well qualified to analyze and study any suggested alterations to the plan presently in operation.

It is therefore the recommendation of the Special Committee named to study the method of making apportionments that the Special Committee be re-appointed for an additional year and that the Commission on World Service and Finance be associated with the Special Committee to continue this study and that the memberships of the Committee and the Commission meet together and name a chairman from the combined group to lead in the study of this matter. It is further recommended that this joint committee be instructed to begin its study as early following the adjournment of Conference as possible and that it complete its study not later than sixty (60) days prior to the 1955 Regular Session of the Louisiana Conference, and further that the results of this study and the recommendations of the joint committee be published in the Louisiana Methodist not later than sixty (60) days preceding the next session of the Louisiana Conference. It is felt that in this way the entire membership of the Conference will have available to it for study the results of the investigation and recommendations of this joint committee. It is further recommended that any proposals heretofore presented to this Conference in session or any proposals to be presented subsequent to this report and which proposals have reference to the method of making apportionments be referred to this joint committee above recommended.

BOARD OF CONFERENCE CLAIMANTS

REPORT No. 1

We, your Board of Conference Claimants, wish to congratulate the Conference for its growing interest and fine cooperation in the pension fund for our honored retired ministers.

We wish to express our gratitude to our fine laymen and laywomen for their gracious and unfailing support of this cause.

Our Board finds that we are able to pay our annuity of \$45.00 per service year, for the year of 1954-55 and rejoice that we can do so.

We will be able to pay \$20.00 per service year for all local supply work to our retired ministers.

We recommend the following:

1. That an assessment of 14% on all cash salaries of all pastors associate pastors and accepted supplies, who shall become recipient on this Board at the time of retirement, be continued for the year of 1954-55.
2. That the one percent (1%) assessment of the pastors' salaries, to be paid by Pastors, Associates, and all accepted supplies, be continued for the year 1954-55.

3. That this Conference shall set aside one Sunday each year, wherein these honored members shall be given recognition. At this time, the cause of retired ministers shall be emphasized without an offering. We suggest that the last Sunday before Thanksgiving be set aside for this cause.

4 That this Conference shall extend its appreciation to Judge Robert J O'Neal, the most efficient Treasurer of this Board, for his untiring efforts for the cause of our retired ministers, and his most efficient way of handling the financial affairs of our Board without pay.

BOARD OF CONFERENCE CLAIMANTS

REPORT No. 2

• We, the Board of Conference Claimants, wish to bring to your attention some facts concerning the annual payments of regular assessments, and request your faithful cooperation in clearing up this matter.

1. Many of our regular appointed pastors fail, each year, to pay the regular one per cent (1%) assessment of their salaries to the current distribution by this Board.

The Conference of 1952, Nineteen Hundred Fifty Two, made 294 appointments, of this number only 214 made payments on the assessments. This means that there were 80 pastors in this conference who did not pay this obligation in 1953.

This deprives our Board of a considerable sum with which to meet the current expense of the Board.

2. If the Members of this conference will check with the Conference Treasurer, and clear through him he will in turn clear with us and record shall be clear when we come to the time of retirement.

3: We would appreciate each Accepted Supply checking with us and clearing their record. Also that each District Superintendent be requested to furnish this Board with a correct list of accepted supplies employed in their District each year. This will enable us to keep a correct record and insure each Pastor against any heart-aches when he comes to retirement.

SIDNEY A. SEEGERs, Chairman
W. D. MILTON, Secretary

DISTRICT CONFERENCE RECORDS

Report of Committee

The Committee on District Conference Records is pleased to report that all seven of the district conference minute books are in hand.

The Minutes of the Alexandria, Lake Charles, and Shreveport Districts are kept in permanently bound books, and have been very neatly and orderly written.

The Minutes of the Baton Rouge, New Orleans, Monroe and Ruston Districts are kept in loose leaf note book folders. These records are well kept. However, we continue to express our approval of the permanently bound record books, as there is less likelihood of the pages being pulled out and becoming ragged.

We were able to send out reminders to the District Superintendents two weeks before the Conference session began, asking them to have their records here. This seems to have worked 100%. We plan to continue this policy. The committee would be glad to know who the District Secretaries are, or who holds the District Conference minutes, that we might write these persons direct.

HARVEY G. WILLIAMSON, Secy.

BOARD OF EDUCATION

REPORT No. 1

Centenary College

This year has been an eventful one in the history of Centenary College. It has been marked by sadness and joy, by disappointments and progress.

The tragic plane accident of January 10 at Wallace Lake took the lives of three active and faithful members of our Board of

Trustees, John B. Atkins, Justin R. Querbes, Sr., and R. H. Hargrove. We were shocked and saddened by this sudden loss.

The Board of Trustees meeting on May 28 made the following nominations to the Board of Education for membership on the Board of Trustees for a period of three years with terms expiring in 1957:

M. A. Abernathy
John B. Atkins, Jr.
J. Theron Brown
Paul M. Brown
Howard Crumley

M. W. Drake
Carl F. Lueg
C. H. Lyons
J. G. O'Brien
Bonneau Peters
Bentley Sloane

In the above names only that of John B. Atkins, Jr., appears as a new nominee. He is the son of John B. Atkins, Sr., and an active member of the First Methodist Church of Shreveport. The Atkins name has long been associated with Centenary College.

We also request the re-appointment by the Bishop of the following members of the Centenary College staff:

R. Leonard Cooke, Vice President

William P. Fraser, Professor and Head of Department of Biblical Literature

W. F. Pledger, Associate Professor and Head of the Department of Sociology

Webb D. Pomeroy, Field Representative and Director of Religious Activities

Centenary College this year operated with an average enrollment of approximately 725 full time students and the same number of special students. If we include summer school enrollment the total number of individuals taking work in Centenary between June 1, 1953 and May 31, 1954, eliminating duplications, came to 2,438.

Centenary this year had 56 Methodist full-time Christian service students receiving scholarship aid in the amount of \$11,125. Of these, 49 were men and 7 were women. In addition there were a few full time Christian service students who did not request scholarship aid. Sixteen children of Methodist ministers also received scholarship aid in the amount of \$1,750. In addition to this aid, which came out of the operating budget of the college, the college has secured other financial assistance for full time Christian service students in special need. A recent survey of other church-related colleges in this area revealed the fact that Centenary has been and continues to be much more liberal than other institutions in extending financial aid to full time Christian work students.

The college, this year, operated on income of approximately \$596,000 a very small budget for our size. \$390,000 of this came from tuition and fees, and approximately \$33,000 from the "50c per member" program of the Conference.

Last year the "50c per member" program brought in \$28,000, or approximately 25c per member. This placed our Louisiana Conference in about 35th position among all of the conferences in the United States. The highest conference support last year stood at 77c per member and was given by the Holston Conference of the Southeastern Jurisdiction. The next 4 highest all belonged to the Central Jurisdiction, with support running from 59c per member to 70c per member.

This year's \$33,000 averages about 30c per member and is approximately 6½ % of our total budget. The College extends appreciation for this increase and at the same time expresses the hope that in the coming conference year every Methodist church in Louisiana will place the College in its budget for 50c per member.

The program of religious work on the campus has been an active one. It has received the help and encouragement of many members of the Centenary College staff and faculty. The Methodist student group has been active and has engaged in many worthwhile programs and conferences. The beginning of the Willson Lectures, with Dr. Roy Smith as the first lecturer, added much to the high tone of our religious activities. It is believed that these lectures year after year will add much to the spiritual tone of our student life. Our district superintendent, Dr. B. C. Taylor, and Dr. Bentley Sloane, Executive Secretary of our Board of Education, as well as Dr. Hicks and the other pastors of our Methodist churches in Shreveport have been of great assistance and encouragement. As vice-president, Leonard Cooke has brought to our campus many valuable Conference connections and has given encouragement to our Methodist student group.

In the area of student life, progress was made in instituting a new health service and in the successful operation of the honor system during its first year.

The year has been marked by great improvement in our physical plant. A large extension to Rotary Hall, dormitory for men, has been completed; the beautiful T. L. James Memorial Dormitory for women is due to be completed in August, a new chapel, the gift of S. Perry Brown and Paul M. Brown, is now under construction; and the architect has on his drawing board plans for a new dramatics playhouse. Much of our campus has been graded by T. L. James & Company, and the Alumni Association and Shreveport Beautification Foundation are extending campus beautification.

These physical improvements have brought us to the point where our Board of Trustees meeting on May 28 extended a formal

invitation to the Louisiana Conference to make Centenary College its annual meeting place.

This year under the able and dynamic leadership of Mr. Charlton Lyons, a member of our Board of Trustees, a financial campaign has been underway to raise \$1,500,000 on our building program. I am pleased to report that more than \$700,000 of this already has been subscribed.

It is my firm conviction that the college is making intellectual, spiritual, and material progress. At no time during the nine years I have been at Centenary have I been more confident of its future.

JOE J. MICKLE, President

BOARD OF EDUCATION

REPORT No. 2

Annual Staff Report

The staff of the Louisiana Conference Board of Education is able to report gains in almost all phases of the program. The following statistics describe the situation in our conference, and indicate goals for the future. (Taken from latest available records, the 1953 Conference Minutes.)

| | |
|---|---------------------------|
| Total Methodist members, Louisiana Conference | 112,018 |
| Total Church School membership | 61% (Goal 70%).... 68,135 |
| Church School attendance | 58% (Goal 70%) |
| Gain in Church School membership | 2.7% (one year) |
| (Nursery Home members) | (loss) 0.2% |
| (Children) | (gain) 3.3% |
| (Youth) | (gain) 3.2% |
| (Adult) | (gain) 5.3% |
| Officers and teachers | (0.2% loss) 5,560 |

| | 1953 | 1952 |
|-------------------------------|-----------------|------------|
| Methodist Youth Fund | (Gain) \$ 6,215 | (\$ 6,005) |
| Schools and Colleges | (Gain) 30,908 | (17,175) |
| Wesley Foundations | (Gain) 20,301 | (17,637) |
| Fourth Sunday (World Service) | (Gain) 19,734 | (17,837) |
| Methodist Student Day | (Loss) 1,133 | (1,229) |
| Church School Day | (Loss) 2,015 | (2,214) |
| Commission on Student Centers | 6,209 | (6,209) |

Our conference leads the Area in percentage of gain in Church School membership in children, youth, and adult divisions, and also in percentage of attendance. In the Methodist Youth Fund we lead the Area and are fifth in the Jurisdiction. In Church School-Rally Day offering we are the lowest in the Area and near the bottom in the Jurisdiction. We showed a slight loss in Church School offi-

cers and teachers, and this fact offers a strong challenge to our program of leadership enlistment and training.

Leadership Training

Leadership Education is a major responsibility of the conference staff, and the following statistics indicate the scope of this program.

There were 49 Leadership Schools held, with 3,055 pupils enrolled; 199 churches participated. The Board of Education paid \$887.45 toward the expense of these schools.

| | |
|--------------------------------------|----|
| Mt. Sequoyah Leadership School | 17 |
| Mt. Sequoyah Youth Workshop | 11 |
| Mt. Sequoyah Youth Conference | 35 |

Camping Program

The Louisiana Conference is one of the leaders in the camping program. There were 28 district camps held during the summer as follows:

| | |
|--------------------------------------|-----|
| 4 Older Adult Camps—attendance | 146 |
| 5 Senior-Older Youth Camps | 426 |
| 9 Intermediate Camps | 904 |
| 10 Junior Camps | 890 |

The annual Camp Leaders' Training Conference was held April 20-22, with an attendance of 65 leaders.

Pastors' School

The annual Pastors' School is a summer event of unusual interest and value to the Louisiana Conference. With the new buildings being added to Centenary College, this school should continue to grow. The school was held August 24-28. Three courses were offered and 113 were in attendance.

Superintendents' Conference

The annual Conference for Church School Superintendents has grown steadily in the last four years. In September, at Camp Brewer, 105 Superintendents from 43 churches, enrolled for this two-day training conference.

Adult Work

In the absence of Miss Elizabeth Thompson, our Conference Director of Adult Work, Mrs. Ruby Cochran has given strong leadership in a number of district Adult Institutes, Leadership Schools, and the Superintendents' Conference. The Older Adult program is developing steadily, and the camps are growing in size and numbers.

The Young Adult Assembly was held in August, with 135 young adults from 50 local churches in attendance.

There were 28 delegates from Louisiana who attended the Adult Convocation, in Tulsa Oklahoma, October 17-20.

Attendance Crusade

The staff of the Board of Education is promoting the Attendance Crusade, and reports indicate a steady increase in percentage of attendance. The Conference goals are: Church School enrollment, 70% of Church membership; Church School attendance, 70% of enrollment.

The staff participated in the program of the Conference Crusade Rally, on January 7, and each of the district rallies, the week of January 11.

Adult Convocation

The Jurisdiction Adult Convocation held in Tulsa, Oklahoma in October, was an important event on the fall calendar and was widely promoted. There were 28 delegates from the Louisiana Conference who attended this Convocation.

National Christian Education Conference

The National Conference on Christian Education met in Cincinnati, Ohio, on November 11-15. The Executive Secretary, the Conference Director of Children's Work, and six other delegates from Louisiana attended this significant conference.

Christian Vocations For Youth

The staff has cooperated with the Conference Commission on Christian Vocations in promoting four district Career Clinics, involving over 400 high school and college students. The Rev. Jameson Jones and Mr. Argyle Knight represented the General Board staff in these clinics. (Monroe, New Orleans, Lake Charles, Baton Rouge).

The call to full time Christian service is presented in our district Senior Camps and the Conference Youth Assembly.

In Centenary College during 1953-54, there were 49 young men and 9 young women from Methodist Churches preparing for full time church vocations. We are giving special guidance to those interested in Christian Education as a career because of the increased demand for Directors of Christian Education.

Family Life Conference

We have organized a Conference Commission on Family Life to study the problems of home and church cooperation, and to promote the National Methodist Conference on Family Life, to be held in Cleveland, Ohio, October 8-10. Mrs. Ruby Cochran is chairman of this important work and participated in a regional study conference in September.

Rural Work

Our staff continues to cooperate with the Town and Country Commission in serving the needs of the small church. Dr. W. F. Pledger, of Centenary College, through his courses in Rural Soci-

ology and student counseling, is helping in this work. Miss Elizabeth Thompson, our Conference Rural Worker, now on leave for special study in Emory University, will return to our staff in June. In cooperation with the General Board of Education, Miss Thompson visited the Louisiana Conference in April, and taught a first series leadership course in seven small churches.

Dr. and Mrs. Aaron Rapping, of Hiwassee College, conducted 3 Leadership Schools in our rural churches in July.

The Youth Emphasis

The Executive Secretary has given personal direction to the Conference Youth program working with the Youth Council and the District Directors of Youth Work. The Youth Emphasis for the quadrennium has been faithfully presented to all local churches, to district and conference rallies, and to the district preachers' meetings. The main line emphases are:

Strengthen Faith of Youth
Improve the M. Y. F. Program
Win Youth to Christ

The General Advisory Committee, of which Bishop Paul Martin is a member, has set a goal of 500,000 new members in the M.Y.F. by 1956. In Louisiana Conference this means an increase of 40% in the M.Y.F. in every local church. In 1953, the Louisiana Conference Minutes reported 12,578 enrolled in the M.Y.F. Our Conference increase goal is 5,060 by 1956. We are making real progress in arousing the local churches to action in this youth program.

In November the Youth Council sponsored a Conference Spiritual Life Retreat, and in January, an officers' training institute on Centenary College campus.

The annual Conference of the M.Y.F. was held on May 1, with Dr. Harry Denman, of the General Board of Evangelism, as speaker.

Rev. Joe Bell and Mr. Argyle Knight, of the Youth Department, were in the Conference in April for a series of district institutes for adult workers with youth.

The Conference Youth Assembly is scheduled for July 19-24, with the Rev. Howard Ellis, of the General Board of Evangelism, as platform speaker.

A Christian Witness Mission, to train 50 young people in evangelistic methods, will be held in New Orleans, August 11-17. The Rev. Wayne North, of the General Board of Evangelism, will guide this project for Methodist Youth.

All youth subdistricts cooperated with the Board of Temperance in sponsoring the Alcohol Essay Contest and sending delegates to the School of Alcohol Studies.

Plans have been completed for the Youth Emphasis to be pre-

sented at the Annual Conference, June 1-4. Bishop Paul Martin will preside over a Youth Emphasis planning conference, following the Board of Education dinner, Monday evening, May 31. On Wednesday, June 2, at 11:00 A. M., the Rev. Harold Ewing, head of the Youth Work in the Methodist Church, will deliver the main address.

For the tenth consecutive year, we had a Methodist Youth Caravan visiting in six local churches in Louisiana, during July and August. Another Caravan is scheduled for 1954.

Student Work

Methodist Student Work, serving 3,000 students on nine college campuses in Louisiana, continues to thrive. The increase in financial support from the Board of Education budget has strengthened the morale of our Wesley Foundation Directors.

The annual budget allowance is 22.5% of the Conference Benevolences, amounting to \$16,436. The Five Dollar Plan and district support are being continued.

The annual Student Retreat, at Camp Brewer, in September, brought together 125 students and adult leaders in a planning conference and Spiritual Life Retreat.

There were 26 Methodist students from Louisiana who served in summer projects such as Caravans and Work Camps.

The annual State Student Conference, at Baton Rouge, in March, was attended by 220 students and leaders.

Miss Pearl Ye Maye Kelley has returned to Louisiana Tech campus as Wesley Foundation Director.

Rev. Webb Pomeroy has been added to the staff of Centenary College with special responsibility for the Methodist Student Movement on the campus. This group is now well organized and functioning as a working unit in our state student program. Dr. Pomeroy receives \$1,000 a year in salary from the Board of Education.

The McNeese Wesley Foundation is now being served by the wife of our pastor of the Oak Park Church in Lake Charles, Mrs. Robert Peyton.

We are fortunate to have Miss Lillian Hay on our conference staff as Conference Director of Student Work. She gives full supervision to this work in cooperation with the Executive Secretary.

Building plans are being considered at Louisiana Tech and Southeastern. The Conference Commission on World Service and Finance allows 8.5%, or \$6,209, annually for Student Center Buildings.

Special Services

We have numerous office calls and considerable correspondence in helping pastors and lay workers with various problems, such as

selection of Church School literature, floor plans for educational buildings, visual aids, enlisting and certifying educational directors, church vocations, college scholarships, class and departmental groupings, and program materials for church organizations.

The audio-visual aids library in the conference office has been enlarged to include 62 sets of film strips and slides, and 7 16mm movies. This material is used extensively throughout the conference due to increased interest in visual education in the local churches.

The monthly Christian Education Bulletin, prepared and edited by the Executive Secretary, is mailed to 2,600 local church leaders. It is primarily a promotional and news bulletin, carrying information about the program of the Louisiana Conference.

Supplies of new pamphlets in all areas of church work are ordered regularly and made available to local churches.

BOARD OF EVANGELISM REPORT No. 1

We, your Conference Board of Evangelism, commend to all our churches and people the 1955 CHURCH ATTENDANCE CRUSADE—"GOD IS OUR STRENGTH—Attend Church Every Week, Pray Every Day." We regard it as a timely emphasis for our day.

Throughout America there is a resurgence of interest in religious faith. Everywhere men are groping for a spiritual base. National leaders are constantly reminding us of our spiritual needs and calling us to a renewal of Faith in God. Shining through the armor of our military might and material strength is a deep and quiet nostalgia for faith—a faith in God which our founding fathers found to be an adequate and satisfying source of strength. Anyone who studies the present scene knows the Church has the largest opportunity in her history. Church membership is up. Church attendance is increasing. Religious books stand with amazing consistency in the best seller class. The motion picture industry increases its budgets for religious films. Secular magazines discover that articles on religion help sustain circulation. Advertising men write religious sentiment into their copy. Radio and television add more religious programs. Surely the day for which evangelical Christianity has longed and prayed IS HERE. 1955 looms in potential as Christendom's greatest year. The harvest is ripest now. We must not lose this God-given chance of saving ourselves and our world. This is the psychological and opportune hour to challenge all Americans to flank and fortify our cherished freedoms with spiritual faith and religious zeal.

We have been happily aware of tremendous gains made for the Kingdom of Christ and Methodism through United Evangelistic Missions, Spiritual Life Missions, Christian Witness Missions, and this year's Church Attendance Crusade. We now believe the 1955 Church Attendance Crusade—"GOD IS OUR STRENGTH—Attend Church Every Week, Pray Every Day", will do much to strengthen these gains and further the cause of our Lord in His world. We, therefore, urge all our pastors, churches, and people to participate in this Crusade, thus making the emphasis a united and concerted one throughout every District and Charge. Since the Crusade will be mono-directional there will be no reports to make unless the District so desires. Where at all possible we should cooperate with other religious groups, and civic, social and fraternal organizations in promoting this movement on a community-wide level, looking hopefully to a nation-wide cooperative endeavor.

We further urge our pastors and congregations to utilize visitation evangelism and the promotional procedures and materials suggested by the General Board of Evangelism.

BOARD OF EVANGELISM

REPORT No. 2

We, your Conference Board of Evangelism, are pleased with the increased emphasis on evangelism in every area of the church-at-large and in the local church.

We commend the Baton Rouge and New Orleans Districts on their successful Spiritual Life Missions last fall. We commend all local churches and pastors that have made significant evangelistic progress this year.

Our "Give God a Chance Now" Attendance Crusade bore abundant fruit. Throughout the conference and jurisdiction there was increased attendance at the service and other meetings of the local church. Some districts reported 40-45% of the members in attendance. Some churches had 50-60% and more of their members attending services.

We report a total of 3194 persons received on profession of faith and from the preparatory membership this year, an increase of 404 over the 2790 received in the same manner last year.

For the conference year 1954-55 we recommend the following:

1. The winning of at least one person on Profession of Faith in each charge this year. We deplore the fact that in the year 1952-53 there were in our conference 26 barren charges—charges in which no person was received on profession of faith.

2. That every church strive to win more persons for Christ. We regret to report that the Arkansas-Louisiana Area last year required 31.1 members to win one more Methodist, the highest evangelistic ratio of all the 37 episcopal areas. Heading the list was the Detroit Area, where only 12.3 Methodists were required to win one or more Methodist. The average for the entire Methodist Church was 21.1.

3. Wholehearted participation in the Youth Evangelistic Emphasis this year, as (by 1956) we seek to increase by 40% the number of youth reached. We call for full cooperation with the Youth Christian Witness Mission in New Orleans, August 11-18.

4. Participation in the "Christmas for Christ" emphasis in December.

5. Full participation in the 1955 Church Attendance Crusade, resolution concerning which was just adopted.

6. Use of the "Four Nights for God" pattern of visitation evangelism, a local church mission without guest ministers.

7. That every church use the official membership manuals in the training of its children, youth and adults for church membership.

8. Use by local churches of the 70 evangelists, who are especially trained theological students, sent out by the General Board of Evangelism. This project is the result of an initial contribution of \$25,000 by an interested layman, \$250 by this conference board, and other contributions for a total of \$50,000.

9. Continued promotion of the family altar, "The Upper

Room", an annual Revival Meeting or Preaching Mission in every local church; and the organization and functioning of the Commission on Membership and Evangelism in every church.

10. Use of the great days of the Church: Pentecost; Thanksgiving; Christmas; Palm Sunday; Easter and Mother's Day—as special days of ingathering of recruits for Christ.

BOARD OF HOSPITALS AND HOMES

REPORT No. 1

The Methodist Home Hospital

Your Conference Board of Hospitals and Homes wishes to commend Dr. C. B. White and the Rev. Haughton, their staff and Board of Directors for the fine job they are doing.

1. Regarding the Methodist Home Hospital:

The Superintendent's report is being filed with this report as exhibit A.

We recommend that the special day for taking the offering for this home be December 19 (Christmas Sunday) or as near this day as possible.

It is strongly urged that the pastor nominate in the official board elect an enthusiastic person to represent Home Hospital and to promote the offering and other interests in the congregation. The name of this person should be sent immediately to the Superintendent of the Home Hospital. The District Superintendent is asked to check on this matter at the Fourth Quarterly Conference.

We wish to present the following as members of the Board of Directors of the Methodist Home Hospital with terms expiring in 1957: H. L. Johns, Dana Dawson, Jr., Jolly B. Harper, Ben S. Giles.

C. W. QUAID, Secretary

THE METHODIST HOME HOSPITAL

Superintendent's Report

This report will not be exhaustive and may leave some questions unanswered. If so, feel free to introduce any matter you feel to be pertinent.

The present administration began June 25, 1953. Here are some of the conditions found here then and brief statements about what has been done about them.

The new wing was in the process of construction, the roof not yet completed. This building has been completed, furnishings purchased, and is now being occupied. The Chapel was furnished by the friends of Mrs. Morris and given in her memory. Several other rooms are being given as memorials.

The first wing needed repairs, notable among them was the iron and steel water tank, which was feeding iron oxide into our whole water and sterilization system. This cost about \$500.00 and several experiments to correct. It is working fine now. The plan of the consulting engineer was followed carefully.

The staff had several vacancies and some unsatisfactory employees. We did not have a single Social Worker. We needed two. The Nursing Staff was below requirements. All this has been corrected and we have a full staff of competent Christian workers.

The Safety Department was asking us to have a maintenance engineer. They became very insistent. We hired one to train our janitor. He now qualifies. This cost us \$1,000.00. We plan to allow the present engineer to train another one before he leaves.

Mrs. Haughton is working an average of six (6) hours a day. She receives no salary or other remuneration.

The institutional study being conducted in July was very critical. Every Parish or State Department with which we had dealings was censuring our institution and its operation on several points each. Indeed the department gave us licenses a month at a time for several months. For two months one of our licenses was withheld. Every known requirement has now been met. Each department has now given words and letters of commendation.

Our public relations are in good condition and are improving steadily in both states. Letter on file prove this. The superintendent gives considerable time to this matter regularly, speaking every Sunday morning at some church and accepting week day opportunities when possible. He has preached over one hundred (100) times since coming here. This is being reflected in our finances. The Maintenance surplus is above this same date a year ago, and many of the expenditures of this period are non-recurring. The Building account is in satisfactory condition also.

The Superintendent continues to live in very unsatisfactory quarters. It is sincerely hoped that the board will see fit to provide a suitable residence for him at an early date. With a down payment the rent now being paid could easily liquidate the balance.

The entire staff of the Home-Hospital has been placed under Social Security, except the Superintendent, who is not eligible.

The Superintendent feels that the Methodist Home-Hospital is in good shape and doing a fine service. The building is beautiful and strong and adequate. The Staff is excellent, being composed of

good Christian individuals, non-drinking, non-smoking. We have well-trained and sympathetic doctors for our staff. Our nurses are efficient, consecrated and loyal, our Social Workers are conscientious and thorough, and are safe representatives of our institution wherever they go.

Our girls are responding well to our program. Every girl is moving toward God and a righteous life. Each girl has a plan for her immediate future when she departs. We receive eloquent testimony from our former patients. Each patient has a definite workable plan for her baby.

Your Home-Hospital is in the best condition it has ever been to do the work assigned to it. We ask continued cooperation of all concerned.

ANNUAL REPORT
OF THE SUPERINTENDENT OF
THE LOUISIANA METHODIST ORPHANAGE
Ruston, Louisiana

From March 1, 1953 through February 28, 1954

To: Mr. Floyd B. James, President, and Members of the Board of Directors of the Louisiana Methodist Orphanage, in regular session, May 4, 1954.

Dear Board Members:

This is my seventeenth annual report as Superintendent of our Orphanage, and covers the period of our fiscal year, March 1, 1953 through February 28, 1954

I am happy to report a good year in this great work. God has blessed our humble efforts. Our children have progressed favorably, and they have been blessed with good health. There has been no serious epidemic of disease among them, for which we are thankful indeed. Our people have been very kind and generous in their co-operation and help. The offerings have been good, but it has been a rather expensive year. It was rather difficult meeting all the cost of operation, but God blessed us with a way.

During the year we have had 147 children in our care. The turn-over remains rather high, for during the year we received 37 new children and permitted 42 to leave. We had 105 at the end of our fiscal year with an enrollment of 110 at present. We have 68 children

in High School and Junior High and 41 in the lower grades, and 1 in college. We have two graduating from Ruston High this month.

The interest in this great work seems better than ever. We have many visitors from all over the state. Many large groups, as well as individuals, come by to see us. We are looking forward to having a large crowd on Homecoming Day in June.

Our buildings have been kept in a good state of repair and a few improvements have been made. Steel fire escapes have been added to the three boys' cottages and the James Memorial Cottage. The farm manager's home has been repaired and painted. Several thousand dollars were spent on our maintenance man's house which was donated to us this year by Mrs. R. W. Davis of Ruston. This house was adjoining our property and was being rented by our maintenance man. Mrs. Davis gave us the house and lot. We immediately repaired it completely and set it apart as a home for our maintenance man. (Approximate cost of repairs, \$4,515.00). This is a fine piece of property and will mean a great deal to us.

This year has witnessed the fulfillment of a dream we have had a long time. We have built the two cottages for our small girls which we have long talked about and prayed for. The buildings are modern in every respect, well equipped and furnished with furniture and furnishings in keeping with the young ages occupying them. Each unit houses 12 little girls and a matron. We have also added a large new kitchen, dining room and patio to the James Memorial Cottage. These two buildings and the addition to the James Cottage cost approximately \$120,000.00. The T. L. James and Company paid for the furniture and equipment which went into the new dining room and kitchen in that building which amounted to \$3,500.000.

We feel that our Church is doing a wonderful work in the Orphanage and we thank God for such a Home for those who are left homeless. The religious life of our children is most jealously guarded and guided, as well as that of their public education. The care and attention they receive physically, morally, mentally and spiritually provide the best.

Our financial condition is shown in the attached Audit report.

C. B. WHITE, Superintendent
Louisiana Methodist Orphanage

Premium paid Travelers Insurance Co:

| | | |
|--|-----------|-------------|
| Life Coverage | 8,511.44 | |
| Hospital Coverage | 14,960.28 | |
| Retired Ministers Coverage | 1,204.72 | |
| Refund to Ministers and Churches | 170.42 | |
| Postage, Printing and Telephone | 82.00 | \$24,928.86 |

| | |
|------------------------------------|-------------|
| Balance on hand—May 14, 1954 | \$ 1,348.52 |
|------------------------------------|-------------|

\$12,770.94 in hospital claims have been paid this year, with several claims pending at this time. There have been no life claims during the year.

At present 193 active ministers, 18 retired ministers, and 10 other full time workers are participating in the Insurance program,

making a total of 221, out of 267 who are entitled to this coverage. The percentage of participation is 70%.

Since the balance on hand amounts to \$1,348.52 and is, therefore, insufficient to cover the cost of the life policies for our retired ministers it is recommended that our Conference Treasurer be permitted to borrow the necessary amount which will be repaid out of the refund due the Conference.

CARL F. LUEG, Chairman

COMMITTEE ON INSURANCE

REPORT No. 2

Due to a loss ratio on the group Hospitalization and Surgical Benefits of better than 110% for the past two years, the Travelers Insurance Company is making an increase in premium on the Group Hospitalization benefits of 25%. Since this increase in rate would cause the loss of our present Hospitalization program it is the recommendation of your Committee on Life Insurance that the Blue Cross Plan be adopted. This plan will call for only a slight increase in hospitalization premiums, giving us practically the same coverage we have enjoyed under Travelers, but considerably less than the new rates which would be in effect under the 25% increase in premium.

The Blue Cross benefits are:

\$6.00 per day for minister—\$5.00 per day for dependents. A total of 90 days, plus miscellaneous benefits such as Operating Room, metabolism tests, Oxygen, plus drugs (with a 50% payment on the first \$100.00 of drugs), and surgical benefits up to \$200.00. Maternity benefits will be carried over.

The rates under the Blue Cross Plan are as follows:

| | Total Premium | Paid by Minister | Paid by Church |
|-----------------------------|--------------------------|-----------------------------|---------------------------|
| Minister only | \$27.60 | 13.80 | 13.80 |
| Minister and wife | 55.20 | 27.60 | 27.60 |
| Minister, wife and children | 74.40 | 37.20 | 37.20 |

The local church will pay an equal amount in each case.

Any member now participating in the Blue Cross plan will come in with the Group plan at reduced rate.

It is further recommended that we continue our Life Insurance Program with Travelers at no increase in premium. In the near future we will receive a refund of approximately \$3,000 from this part of our Insurance program. It is out of this reserve fund that we will continue to provide a \$1,000 coverage on each of our retired ministers.

The rates for life insurance are as follows:

| Policy for | Paid by Minister | Paid by Church | Total Premium |
|-------------------|-----------------------------|---------------------------|--------------------------|
| \$1000.00 | 8.20 | 8.20 | 16.40 |
| \$2000.00 | 16.40 | 16.40 | 32.80 |
| \$3000.00 | 24.63 | 24.63 | 49.26 |

These rates may be adjusted upward or downward, according to the average age in the Conference.

The Committee cannot urge too strongly a wider participation in both plans. A 75% participation is required in both instances. Such a participation will serve to reduce, or maintain, the present premium rate. It will also increase the amount of refund each year.

We recommend that every Lay Delegate on returning to his local church explain the plan of our Conference Insurance Program to his Official Board, if it is not at present participating in this Insurance Program.

No evidence of insurability will be required in order to obtain the coverage now offered if enrollment cards are signed during the present solicitation. We are encouraged by the fact that 70% of the members of our Conference are enrolled. Following Conference the Conference Traeasurer will send to every local church a copy of the above schedules. The Committee also recommends that each District Superintendent assist in this program by urging both ministers and churches to participate in our Conference Insurance Program.

REPORT OF BOARD OF LAY ACTIVITIES

Conference Lay Leader

To Bishop Martin and Members of the Louisiana Annual Conference:

It is my extreme pleasure to report another year of continued growth in our Conference Program of Lay Activities. This fine progress has been made possible because hundreds of devoted laymen have been most cooperative with the board. We feel the wholehearted cooperation of the Charge Lay Leaders and Pastors has helped us to carry a program to "Strengthen the Local Church."

Methodist Men have played an important part in this expanding activity. Twenty-six (26) new chartered groups have been added to our Conference. We have reached the goal set up by General Conference, we now have one hundred and four chartered Methodist Men's Clubs.

I take this opportunity on behalf of the Conference Board Lay Activities also the General Board, to thank each of you for your sincere devotion to this fine work of the Church and for the fine leadership and cooperation you have so generously given to the work of building the Kingdom through the Local Church.

Over twenty thousand has been given to new churches with the Thousand Club Program, the Board is grateful for your splendid efforts in this wonderful work.

Again this year I can say in all sincerity that it has been a real privilege and a great joy to work with this growing body of Christian Laymen during the past year and I am extremely confident our number will continue to increase, thus enabling us to a larger and more effective work for "Christ and His Church." May God's richest blessing be upon each of us as we plan and work towards a greater achievement through our Lay Activities Program in the new Conference Year.

ROBT. P. LAY, Conference Lay Leader

BOARD OF MISSIONS**REPORT No. 2**

We are happy to report that the Conference has continued its acceptance of the full askings for World Service. In order that this might be achieved, some churches have accepted more than the askings, and they are to be particularly commended. We urge ever increasing support of our missionary program, especially in the form of "Advance Specials", "Week of Dedication", and the "Thousand Club."

The Thousand Club has aided three new churches in their building programs, and we earnestly request that the claims of this Club be presented again and again in the local churches, and that the District Superintendent press the claims of the Club in the Quarterly Conferences.

Your Board, as usual, is unable to grant all the requests for aid, either on salaries or in building programs. We are trying with our grants to keep a proper balance between the many new churches being established in growing areas and the needy rural churches. We feel that the program in both these fields can be effectively enlarged by functioning District Boards of Missions.

WORLD OUTLOOK, the general missionary periodical of The Methodist Church, is an indispensable part of our program of missionary education and cultivation. It is also an attractive and readable magazine which can be recommended to all our people. Announcement has been made that WORLD OUTLOOK will provide at least three or four issues with added attractive issues this year. We recommend to all our pastors, local church commissions on missions, and literature committees that organized church-wide campaign for subscriptions be made in each local church.

Two of our ministers, The Rev. G. W. Pomeroy and the Rev. D. L. McGuire, participated in the preaching mission in Alaska last February. Rev. Poole participated in the Cuba mission. We com-

mend Mr. McGuire for his work in promoting the cause of missions, and request that he be appointed to this position for the ensuing year. We nominate Mrs. Glenn Lasky to the Board.

We request that all applications for aid be considered during the session of the Annual Conference be sent in at least two weeks prior to the Conference.

The treasurer's report is attached heerto, and is submitted without reading, if there be no objection.

REPORT OF PUBLISHING COOMMITTEE

Your Publishing Committee is happy to report the continued success of THE LOUISIANA METHODIST under the editorship and management of Dr. E. T. Wayland and Rev. Ewing T. Wayland.

We are glad to report that the subscription list has increased from 9,250 last year to 10,500 at present.

We are including with this report the report of the Joint Commission of the ARKANSAS METHODIST AND LOUISIANA METHODIST, with whose recommendations we heartily concur.

We are also including with this report, without reading, a copy of the Auditor's report for the Arkansas-Louisiana Methodist.

We call special attention to the plan of subscription whereby the official board sends the LOUISIANA METHODIST into the home of every contributing family of the church for \$1.50 per year. We urge that wherever possible this plan be used.

Your Committee is very glad to report that the business with Mr. F. G. Phillips of Benton, Louisiana, editor and publisher of the former LOUISIANA METHODIST has been concluded to his expressed complete satisfaction.

We heartily commend Miss Georgia Daily, director of Methodist Information in our Area for the fine job she is doing in securing more complete publicity for the outstanding features and accomplishments of Methodism, especially in our area.

We further recommend that a publicity Committee be set up in each district under the direction of the District Superintendent to contact the news agencies and supply them with news articles from the local churches.

EDITOR'S NOTE: The Auditor's report is filed with the Secretary of the Conference and the Secretary of the Publishing Committee.

REPORT OF THE JOINT COMMISSION**Of the Arkansas Methodist and The Louisiana Methodist to The Annual Conference**

The Joint Commission of the Arkansas Methodist and The Louisiana Methodist met at the First Methodist Church, Little Rock, February 17, 1954, with Dr. Aubrey G. Walton, chairman, presiding. Those present included Bishop Paul E. Martin, O. C. Landers, E. Vernon Markham, Charles W. Richards, Fred W. Schwendimann, Aubrey G. Walton, Burney Wilson, R. R. Branton, J. N. Fomby, H. L. John, Virgil D. Morris, Joel Copper, J. G. Moore, R. J. Rice, Robert P. Sessions, J. Frank Warden, J. William Watson, W. M. Womack, Miss Georgia Daily, and Editor E. T. and Ewing T. Wayland.

The Editors made reports dealing with the circulation and financial condition of the two publications, which showed that total subscriptions for each publication is at an all time high and the financial condition is good.

After discussion of various matters of business, the Commission voted to make the following recommendations to the three Annual Conferences of the Area:

1. That Dr. E. T. Wayland and Rev. Ewing T. Wayland be appointed with annuity to share jointly the responsibility as Editors and Business Managers of the Arkansas Methodist and The Louisiana Methodist.

2. That there be allowed the Arkansas Methodist the same percentage apportionment from the conference benevolences of the Little Rock and North Arkansas Conferences. The Louisiana Conference has a fixed amount in its conference budget for the support of The Louisiana Methodist during the present quadrennium.

3. That the campaign goal for 1955 be 35,000 for the combined publications, with a quota for each pastoral charge of one subscription for each nine members.

4. That each conference adopt the same general plan for the Circulation Campaign as used last year, and that the date of the campaign be set for January 9-16, 1955, and that the leadership of the conference keep this week open, giving priority to the subscription campaign.

5. That the individual subscription price be continued at \$2.00, but that a subscription price of \$1.50 be authorized where the Official Board of a church enters into a contract, agreement, or arrangement to send the paper into, as a minimum, the homes of every contributing family of the church; and further that the Editors be authorized to enter into contract, agreement, or arrangement with the Official Board of a church, or responsible parties of a District or Sub-District, for local publicity on the back page of the publication.

With respect to the Area program of Methodist Information, the Methodist news service of the Area, the Commission reports that Miss Georgia Daily, who has served the past year as Associate Director, has been made the Director of the Program, succeeding Rev. Ewing T. Wayland, who was asked to continue in an advisory relationship to the program. The Commission recommends to the annual conferences that the apportionments for this program from each conference be increased from \$1,000 to \$1,500 to insure ample funds for an adequate program.

REPORT OF COMMITTEE ON RESOLUTIONS

Our deep and abiding gratitude is extended to the Official Board and to the membership of the First Methodist Church for anticipating and providing for all of our needs and comforts this week. We know that the smooth and orderly procedure of the Conference results from the tireless attention given to countless details and to the unceasing readiness to serve which has characterized our host pastor, the Reverend H. L. Johns. To him and to his equally hard-working and helpful co-workers of the church staff, to the directors and the members of the Choirs, to the pages and ushers, to those who have provided and arranged the beautiful floral offerings, to those who have refreshed us with serving of coffee, to those who have provided for our Superannuates, and to the sexton and his assistants we acknowledge a lasting obligation.

For the services and courtesies performed by the Reverend James T. Harris and the pastors of greater Monroe, we voice thanks.

The ecumenical spirit has been made real among us by the pastor and members of the First Baptist Church who made it possible for us to meet in their delightful air conditioned Sanctuary for our evening services.

A wider, clearer vision has been brought to us by those who have presented the connectional interests of our Church. Each morning devotional period provided a lasting inspiration. Dr. Alfred Freeman stirred our hearts and spirits each day as our Conference preacher.

Centenary College Choir, as usual, thrilled us with the quality and perfection of their music.

We want the press to know of our appreciation of the splendid coverage which they have given our sessions.

We will always remember with gratitude the welcome and hospitality we received in Monroe.

WHEREAS, there is pending before the Legislature a bill that would give religious and charitable organizations the privilege of conducting lottery, bingo and other forms of gambling; therefore,

BE IT RESOLVED, by the official delegates and ministers of the Louisiana Annual Conference of The Methodist Church, representing the entire constituency of the Methodist churches in Louisiana, that we call upon the Legislature of Louisiana now in session at Baton Rouge: (1) To defeat all bills, measures or resolutions that might nullify in any way the present Sunday closing law; (2) To enact into law the two bills known as House Bill No. 450 and House Bill No. 451; (3) To defeat any and all efforts to weaken the resources, the authority or the efficiency of the Louisiana State Police in their impartial enforcement of the laws of our State; and, (4) To defeat any effort purporting to give religious organizations and other charitable institutions the special privilege of gambling.

RETIRED MINISTERS' HOMES**REPORT No. 1****Report of the Chairman**

The first three months of the past Conference year were spent getting all legal matters such as recording the CHARTER, Incorporating the Board, recording the deeds for the property given us by the Orphanage Board and the filing of all papers in the Lincoln Parish Court House in Ruston and with the Secretary of our Board, Mr. J. R. Russell.

We are grateful to Mr. Jack Ritchie and several lawyers in Ruston and Shreveport for the legal assistance given us in all of these matters.

An executive meeting, to which the District Superintendents of the Shreveport, Ruston and Monroe Districts were invited, was held in Minden in the early fall. At this meeting a plan was adopted to raise the necessary money for the building of the first duplex building on the site in Ruston. The Chairman was requested to visit all of the District Conferences and ask their cooperation by raising \$2,500.00 per District, suggesting that they secure 25 individuals, groups or churches to give \$100.00 each.

Literature for circulating this plan at the District Conference was provided by Mr. Marlin W. Drake of the Drake Printing Company of Shreveport without cost to our Board, for which we are very thankful. We wish also to express our thanks to the District Superintendents for granting us ample time on their program to present the project and circulating the literature.

The plan presented to the Districts was that we would build the first building in Ruston, then we would continue to raise the same amount each year and build one home, housing two families, each year in one of the Districts. This would continue until we had built one in each District throughout the Conference.

The results of this plan has not been what we had hoped for, but maybe the lack of response on the part of some was due to the newness of the project and the already heavy load of extras some of the Districts are carrying.

Dr. B. C. Taylor kept this project before his men all year and as a result his District comes out with 16 churches responding and a grand total of \$1499.30 in cash. The other Districts are reported as follows:

Following the tour of the Districts in the fall we felt that we could sell the project quicker if we supplied the District Superintendents and the Lay members of the Board with a copy of the BLUE PRINT and the specifications of the DUPLEX building. Through the kindness of Mr. Floyd James of the T. L. James Company in Ruston, Mr. Gordan Wells, their Company architect, was granted time to prepare these plans and specifications for us without any cost at all. They were mailed to each member of the Board and to a few interested persons. Since then Mr. Wells has made a supplementary draft of one end of the building making it into a TWO BEDROOM section; giving one three-room apartment and one four-room apartment in each building.

Feeling that some more thorough plan had to be devised by which we could reach the individual member of each church, I made a trip across the Conference, talking to many laymen and ministers about the idea and asking them for suggestions. Without exception they all felt that material should be provided and a plan devised by which we could inform the individual member of our churches about the project, and what we are trying to do.

I am definitely convinced that this Conference MUST adopt a plan for the presentation of this project to our people, therefore after much prayer and counsel I am suggesting the following procedure:

FIRST—Ask the Conference to set aside the month of NOVEMBER as Retired Ministers Homes Month.

SECOND—Ask that every Church dedicate their Communion Offering in November to this cause as a starter.

THIRD—Prepare for general distribution sufficient quantities of a four-page brochure giving FACTS in BRIEF about the project.

FOURTH—Prepare for general distribution sufficient quantities of an envelope in which an application will be printed applying for INTEREST SHARES at \$10.00 per share in the project.

FIFTH—Prepare and issue to each purchaser of these INTEREST SHARES a CERTIFICATE, bearing the name of the donor and the amount given.

SIXTH—Give wide publicity to the RETIRED MINISTERS HOMES MONTH in the Louisiana Methodist with a page display advertisement.

SEVENTH—Ask the Commission on Finance and World Service for the allocation of \$500.00 from their Board to carry on the promotional work for the ensuing year.

Respectfully,

JAMES B. GRAMBLING, Chairman

EDITOR'S NOTE: The report of the Treasurer, Mr. Jack Ritchie, is filed with the Secretary of the Conference.

RETIRED MINISTERS' HOMES**REPORT No. 2**

WHEREAS, a resolution was adopted by this Conference June 2nd, 1954 authorizing your Retired Ministers' Homes Board to place a \$60,000.00 minimum bid with the proper authorizer of the United States Government for the White House Apartments at Ruston, Louisiana, and

WHEREAS, if this bid is accepted and the apartments are available, the money is to be provided from the fund belonging to this Conference and held for investment by the Board of Pensions of the Methodist Church, St. Louis, Missouri, therefore

BE IT RESOLVED THAT, the Retired Ministers Homes Board be and is hereby authorized to also withdraw from said Board of Pensions an additional \$20,000.00 to be used to purchase furniture now being sold by the U. S. Government at DeRidder, Louisiana to be used in the apartment project. Interest on this money shall be at the rate now in force and paid from rental income from the White House Apartments and shall be repaid from the same source of rental income.

REPORT OF THE BOARD OF SOCIAL AND ECONOMIC RELATIONS

1. The Council of Bishops of the Methodist Church in a recent meeting at Sea Island, Georgia, adopted a statement which because of its bearing on several issues before us as individuals and as a church, we adopt as the sentiment of this Conference. The statement follows:

"It has been the conviction of The Methodist Church for years, never held more strongly than now, that the right to be free implies not only the freedom of the body, but also the freedom of the mind, and the freedom of the spirit.

In this time of fear and irresponsible accusation areas of freedom of speech and thought are being narrowed all over the world. . . . In our land, when we protest against such types of control, self-appointed guardians of the liberty we want for ourselves and all men may, by calling of names, unfounded accusations and the assertions of guilt by association, destroy the priceless heritage they claim to defend.

In the United States today there are people, some of them in our church, who are being made to believe false statements about their leaders until the human mind is filled with suspicion and the human spirit is shackled. In such an atmosphere suspicion becomes a fear, fear becomes hatred, and hatred sets a man against his neighbor, friend and brother.

We resent unproved assertions that the Protestant ministry is honeycombed with disloyalty. We are unalterably opposed to Communism, but we know that the alternative to Communism is not an American brand of fascism.

Our time-honored and self-authenticated procedures for determining guilt and disloyalty can so easily be discarded in fanatical investigations, we must oppose those who in the name of Americanism employ the methods of repression, who speak with the voice of democracy but whose hands are the hands of tyranny.

Victory over Communism belongs to the triumph of spiritual idealism which has made our nation and given it any leadership it merits among the nations of the world. In the continuing conflict between freedom and totalitarianism, religion has been and is the unfailing bulwark of free men. Faith in the sovereign goodness of God and in the inherent dignity of man has sustained the people of every nation who have dared to stand for moral right and have refused to surrender their dreams of universal peace. This simple and stalwart faith lingers in the souls of unnumbered millions, though sometimes half-buried beneath our fears and selfish interests. The most pertinent need of this hour is a spiritual reawakening, and a turning to Almighty God."

2. We take cognizance of the recent decision of the Supreme Court of the United States rejecting as unconstitutional "segregation of children in public schools solely on the basis of race, even though the physical facilities and other 'tangible' factors may be equal." We recognize that the Constitution of the United States is the supreme law of the land. We hold that Christian citizenship involves adherence to the Constitution even when the Supreme Court, its final and authoritative interpreter, renders a decision contrary to our individual sentiment.

We feel that this decision is consistent with and supports the view of the General Conference of the Methodist Church when it declared: "Ours is a world church. As such its responsibility is to unite in one fellowship men and women of all races and nations. As Christians we confess ourselves to be children of God, brothers and sisters of Jesus Christ."

In the year of difficult adjustment ahead we call upon the members of our Methodist churches to become a stabilizing emotional factor in our own communities. The situation we face requires calmness and a reasonable examination of the problem. The issue must be approached without rancor.

We call upon the governor, the members of the State legislature, the public school authorities and our people to explore ways and means of implementing this historic and unanimous decision and to pursue only those ways and means which will preserve inter-

racial goodwill, domestic order and peace, and the inalienable right of all free men.

3. We urge the observance of the first Sunday in September as "Social and Economics Relations Sunday," and request the ministers to preach on and read the Social Creed in our churches.

FRANK TUCKER, JR., Secretary

REPORT OF THE BOARD OF TEMPERANCE

During the past year your Board of Temperance has mailed letters to each pastor urging them to observe Commitment Day by preaching a sermon on total abstinence AND PRESENTING COMMITMENT CARDS for signatures. 2381 signed commitment cards were reported to the secretary this year and 4416 last year, making a total of 6797 for two years. Some pastors reported failure to obtain cards from General Board last year.

Another letter was sent to each pastor reminding them to promote the Essay-Speech contest on Temperance among our young people. This was promoted by a certain number of local churches and 26 young people participated in the district contests. Douglas Fowler, Jr., of Coushatta, won first place in the finals and will give his essay to the Conference on "Gambling, and Its Effects on Young People." He will be sent to our National Youth School of Alcohol Studies at Ohio Wesleyan University, June 28.

The Chairman sent letters through the district secretaries to each pastor urging them to have their members to write their representatives at Washington about the Bryson Bill restricting the interstate advertising of liquor.

Chairman A. A. Collins, and District Secretary J. Henry Bowdon, Jr., were sent to our National School of Alcohol Studies at Cornell College with all expenses paid by this Board, except entertainment paid by the General Board.

The following went to the Citizenship Convocation sponsored by our General Board of Temperance in October: Chairman A. A. Collins, and Dist. Secretaries A. W. Townsend, D. F. Anders, J. H. Bowdon Jr., and Otis Spinks.

In this way your Board of Temperance is trying to train efficient leadership among the youth and district secretaries that they may be able to give help to the districts and local churches. For this very purpose we have petitioned the Bishop and the Cabinet for

their close cooperation with us in setting up district temperance seminars in our Conference the first or second week in November prior to our Commitment Day, December 5, in order that we may get a fuller cooperation from the local pastors on our program this year.

We hope to send as many of our District Secretaries and other interested persons to our S. C. Jurisdiction School of Alcohol Studies and Christian Action at Mt. Sequoyah, Aug. 23-27, and will help as much on the expenses as our limited budget will permit.

The subject of our Essay-Speech contest for next year will be: "Juvenile Delinquency—Your Problem and Mine". The dates will be: Local Church Contest: Feb. 26; District Contest: March 7 to 18; Finals, March 26, 10 A.M. at Alexandria. We urge every pastor to promote this Essay Contest among his young people of high school age.

We highly recommend the magnificent work of Dr. W. Earl Hotalen, Director of the Louisiana Moral and Civic Foundation in promoting the cause of Temperance throughout our state. We urge each pastor to continue to place in the budget of his church the minimum quota of 25c per active member per year for the work of the L. M. & C. F. We also ask the Conference to continue Dr. Hotalen as director of this fine organization for the coming year.

We respectfully request each District Superintendent to the pastors in his district to preach a strong sermon on the evils of beverage alcohol and to present the commitment cards on total abstinence to their congregations according to the disciplinary requirements on the duties of the pastors: "To teach and preach on Christian Stewardship, Temperance, Missions, etc., and to promote these causes within the bounds of his charge" (Par 352 Sec. 19—Discipline 1952)

We offer in nomination to this Board the name of Mrs. Clarence Day of Shreveport to replace Miss Betty Rea Fox who has moved away.

REPORT OF THE TOWN AND COUNTRY COMMISSION

The Town and Country Commission, through the cooperation of Roland Fredrick and Norman Simmons under the direction of Miss Elizabeth Thompson and Dr. Earl Brewer, has had prepared a statistical study of the Louisiana Conference. This study contains basic information about population and church membership changes during the past thirteen years. In presenting this report to the Conference and its Boards and Commissions it is hoped that it may aid them in making plans for the future.

A projected study will give similar information for the Negro population and membership in the Louisiana Conference of the Central Jurisdiction. Other studies of factors affecting the future of the Conference will be projected in the future.

During the year the Commission has made a study of the use of students at Centenary College and other colleges and universities as pastors and supplies. District Superintendents, college officials, and others have indicated the need for practical training and supervision of these fine young men. We recommend that Conference and college officials give serious consideration to meeting this need by appointing a college advisor for the students or by putting them under the supervision of the pastor of an adjoining charge.

We wish to express our appreciation to the Board of Education for providing the services of Mr. and Mrs. Aaron Rapping for three training courses in rural churches of the Conference. We also commend the Board and the Woman's Division for sending Miss Elizabeth Thompson to hold training sessions in eight rural charges.

We also wish to thank the Directors of the Pastors' School for securing the Rev. James Sells as instructor in rural church administration during the 1953 School.

We wish to commend the Bethel Church of the Logansport Charge under the leadership of the Rev. Don Learner for winning first place in the interdenominational Rural Church Development Program sponsored by Emory University and Sears Roebuck Company.

The Marion Church with Rev. Edwin Brock as pastor, Rayville, under Rev. Earl Emmerich, and the Antioch Church of the Simmsboro Charge under Rev. Kirby Vining also won places of honor in this program. We urge all rural churches of the Conference to get the necessary information and blanks from Rev. Ross Freeman, Emory University, Georgia, and to enter the competition for the year 1954-1955.

We request that before any rural church be abandoned, the Commission be allowed to make a study and present its findings to the District Superintendent and Bishop for their consideration.

For the coming year the Commission plans a two day planning session in the fall, the holding of a rural life conference in each of the Districts, cooperation with the Conference Womans' Society in setting up and supervising pilot charges, and the continuation of surveys.

We recommend the appointment of the Rev. John Sewell as Secretary of Town and Country Work for the coming Conference year.

REPORT OF COMMISSION ON WORLD PEACE

Your commission on World Peace submits the following report:

We are deeply grateful to Almighty God for His leadership in the affairs of our Nation during the past year. At no time have the war clouds fully vanished from the skies, yet war has not come to our land.

We heartily commend the fine spirit and attitude of our President, Dwight D. Eisenhower, for his prayer and sincere efforts to keep peace in our land, and to promote measures of peace among the nations of the world.

We fully indorse the strong measures that are being promoted for World Peace by the Council of Bishops of the Methodist Church. We believe that their leadership will bring lasting good to all people who love the way of peace.

We commend most heartily the fine work that is being done by the Division of Social Service of the Womans' Society of Christian Service in the Work Shops that they have set up in our local churches. These workshops are creating a larger measure of World Peace Mindedness. We trust that this work may spread until all of our churches will participate in a Workshop for the Promotion of World Peace.

We recommend that our great church be aggressive in praying and working toward a lasting peace that shall assure all peace loving people the privilege of Freedom. We want peace, but it must be honorable and Christian.

We endorse the Program "The Voice of America" that carries a message of truth and good will to the people behind the Iron Curtain. We believe that the truth of God and facts of freedom when known to these people will serve to bring about a beginning that shall result in great good to enslaved people. The importance of Thought in the development of the Movement for freedom and World Peace is taking hold of the thought and the mind of the people.

This tendency in the life of the people of this country is expressed in the continuing interest in Radio Free Europe and the Voice of America.

For the first time the Free peoples are beginning to realize their responsibility and their opportunity of establishing World Peace in the thought of mankind. Long the Dictator States have realized the necessity of the Control of the thoughts and the ideas of people. Though they have always placed their dependence upon Military might this new movement has come in to show the strength of controlled thought. At long last the people of our Country as a whole realize this great resource for World Peace. They have now acknowledged their willingness to place a great deal of their dependence

upon this way of approach. This does not belong, however, to the secular realm. The basic ground upon which it is established is Religious—and the motivating power that is behind it is Christian.

We call upon all our people to exercise courage and faith in this hour of crisis as we pray for World Peace and work to bring about good will among the Nations of the World. Remember, Jesus said that "If two of three agree on touching one thing, it shall be done of my Father in Heaven". We call upon all Methodists in every land to turn to God in earnest prayer that Peace, sweet peace, the gift of God's love may cover the Earth as the water covers the sea.

COMMISSION ON WORLD SERVICE AND FINANCE REPORT No. 1

Recommendations and Endorsements

1. The Commission on World Service and Finance recommends that it become the established policy of the Conference that all Conference apportionments and grants become payable at the end of each Conference year.

2. The Commission further recommends that the Louisiana Conference establish its fiscal year to be from June 1 to May 31 and that all Conference reports and payments be made in full to the Conference Statistician and Treasurer by May 15 of each Conference year.

3. We recommend that all apportionments be distributed to the several districts on a decimal derived from the following factors:

- a. One-third on the basis of active membership.
- b. One-third on the basis of total non-building giving (i e., total for all purposes less amounts paid for debts, buildings and improvements).
- c. One-third on the basis of World Service and Conference Benevolences given for the Conference year 1952-53.

On the basis of this division all Conference and Benevolent claims will be distributed as follows:

| | |
|-------------------------------|-------------------------------|
| Alexandria District .. 9.72 % | Monroe District13.46 % |
| Baton Rouge District 16.33 % | New Orleans District 11.20 % |
| Lafayette District ... 6.76 % | Ruston District12.35 % |
| Lake Charles District 9.98 % | Shreveport District ..20.20 % |

4. In accordance with action at the General Conference, we recommend that the payment of an amount equal to fifty cents per member of each local church be continued for support of Centenary College; and that this amount be placed in the budget of each local church.

5. It is recommended that the Louisiana Annual Conference

grant permission to the pastoral charge to pay an amount not to exceed \$900.00 as a "Pastor's Expense Account" providing that the salary set by the Fourth Quarterly Conference be maintained. In no event shall a charge reduce its pastoral salary in order to raise the expense account.

6. It is recommended that all Boards and Commissions receiving funds through the Commission on World Service and Finance, are hereby requested to submit a financial statement at the end of each Conference year, together with plans, programs and askings for the coming year; that these reports and requests be in the hands of the Secretary of World Service and Finance Commission forty-eight hours before the opening date of the Annual Conference.

7. Your Commission gives full endorsement to the Methodist Home Hospital and applauds all Churches who have in the past year supported the Building Fund to the extent that \$35,000 of the original \$117,000 has been paid. We urgently request all Churches to accept and pay in full the original apportionments of 1952 in order that the total unpaid balance might be liquidated. The apportionments as made in 1952 were as follows:

| | |
|-----------------------------|-------------|
| Alexandria District | \$12,343.50 |
| Baton Rouge District | 18,345.60 |
| Lake Charles District | 17,667.00 |
| Monroe District | 16,169.40 |
| New Orleans District | 16,649.10 |
| Ruston District | 15,210.00 |
| Shreveport District | 20,615.40 |

8. It is strongly urged that the pastor nominate and the official board elect an enthusiastic person to represent the Home Hospital and to promote the offering and its other interests in the Congregation. The name of this person should be sent immediately to the superintendent of the Home Hospital. The District Superintendent is asked to check on this matter at the fourth quarterly Conference.

9. We further recommend that the Board of Directors of the Methodist Home Hospital be granted the privilege of presenting the maintenance budget of the Home to each church with a suggested amount to be raised by that church; with the suggestion that said amount be included in the budget of the local church. It is further recommended that Christmas Sunday, December 19, 1954, be designated as Methodist Home Hospital Sunday and that the offering for maintenance be received on that day, unless otherwise planned by the local church.

10. It is recommended that the Louisiana Annual Conference give its continued endorsement to the Louisiana Moral and Civic Foundation and that Dr. W. Earl Hotalen, State Director, be given

every moral and financial support and every opportunity to present the claims of the Foundation to our congregations.

REPORT OF THE COMMITTEE ON CHRISTIAN VOCATIONS

Realizing that the leadership within The Methodist Church in this Conference twenty years hence will depend largely upon the guidance and recruitment of our youth today, your Commission on Christian Vocations submits the following report:

1. As required by the DISCIPLINE, this Commission has this year initiated a permanent record system on the youth in our Conference bounds who have committed themselves to a church-related vocation. In this new file are to be found the names of 95 young people, 26 who have committed themselves to serve in the ministry, 16 to the Mission fields, 11 to Christian Education, 3 to the Medical

services within the church, 2 to Social Work, 1 to secretarial work, 7 to other occupations within the church. 24 other youth have decided to invest their life and talent in the church, but are undecided as to which vocation.

52 of these are in high school. 35 in college; 5 in graduate schools; 2 in the military; 1 in employment.

It is our purpose to follow up on these commitments, making available without cost to the co-operating pastors, resource materials, and up-to-date leaflets concerning changes and developments within each chosen field, that each pastor can, as he sees fit give specific guidance and counsel beyond the recognition of his parishoner's commitment.

2. We wish to commend the Monroe, Baton Rouge, New Orleans, Lake Charles, and the Shreveport Districts for their training opportunities this year in the field of church related vocations. 254 youth were enrolled in these five District Career Clinics or Leadership Classes.

3. We make the following recommendations:

a) That each District Supt., early in the Conference year, appoint a District Christian Vocations Committee, charged with the responsibility of planning and promoting a District wide Career Clinic, and composed of at least the following persons: D.D.Y.W., Dist. Secy. Missionary Personnel, the Dist. Youth Representative on the State M.Y.F. Council, plus any members of this Conference Commission who reside within District.

b) That each pastor present at least once during the year the challenge of Church related Vocation, and recognize and stress the potential sacredness of all useful work. "METHODIST SERVICE PROJECTS—1954", available at 10c each, from the Interboard Committee on Christian Vocations, Box 871, Nashville, Tenn., contains a splendid outline and basic information on this subject. This booklet also gives data on all the vocations open to youth in and thru the Methodist Church and its institutions or agencies.

c) That each Local Church organize a Committee on Christian Vocations which will be of vital assistance in contact-in youth, and keeping up-to-date the information required of each Pastor in the First Quarterly Conference, paragraph 149.1, DISCIPLINE. This optional Committee is needed to do the work formerly done by the Missionary Personnel Committee, WSCS, in the Local Church.

d) That each Camp Staff, each group of teachers and preachers, and all groups of adults, who are interested in giving constructive guidance and counsel to youth, secure

and the new sound filmstrip, **COUNSELING FOR CHURCH VOCATIONS**. This new, unusual visual aid which stresses the techniques of effective counseling is now available in the Conf. Bd. of Education, at the cost of the return postage.

e) That each pastor, Camp Director, or others receiving records of commitments to Church related Vocations, send a record of such commitment to Mrs. Glen Laskey, Ruston Records Secy of this Commission.

Finally, a record of the current and Intermediate Needs for Men in Special Term Missionary is appended.

CONFERENCE RULES

Apportionments. The apportionments shall be apportioned to the several districts of the Conference on a decimal derived from the following factors: (a) One third on the basis of active membership; (b) One third on the basis of total non-building giving (i. e. total for all purposes less amounts paid for debts, buildings, and improvements); and, (c) One third on the basis of World Service and Conference Benevolent giving for the conference year 1950-51. The district apportionments shall be allocated so that no district (or charge) shall receive less than a 10% increase, nor more than a 35% increase.

Church Extension. Each church securing assistance from the Church Extension funds of the Conference Board of Missions shall be required to secure the refunding of the sum donated in the event of the property being alienated from The Methodist Church, by entering and recording a mortgage for the sum donated; provided that this shall not apply to donations of five hundred dollars (\$500.00) or less.

Data for Memoirs. The district superintendent in whose district a member, wife or widow of a preacher dies, shall appoint someone to secure, in advance of Conference, data concerning the deceased. Each member of the Conference is required to furnish the Editor of the Annual a sufficient history of himself.

Fiscal Year. June 1st to May 31st is the Fiscal year for the Conference.

Membership District Conference. The District Conference shall be composed of all parties mentioned in paragraph 667, Discipline 1952, and, in addition thereto, of the following: one lay member from each church in the charge, provided, however, that each charge shall not have less than five (5) elected delegates.

Quadrennial Orphanage Board. A Conference Orphanage Board, composed of one lay member from each district and an equal number of clerical members, shall be elected at the first session following the General Conference, to serve the ensuing quadrennium.

Statistical Reports. Statistical Table I shall be mailed to the Statistical Secretary, and Table II with all remittances for the Conference year shall be mailed to the Conference Treasurer not less than fifteen (15) days before the first day of Conference. The Statistical Secretary and the Treasurer shall notify the District Superintendents of the charges in their District which have not reported, and the District Superintendents will be expected to furnish the delinquent reports in ten days.

Widows. A directory of widows of deceased members shall be published in the Annual. The Secretary of the Board of Conference Claimants shall secure from each widow a statement of her needs, for the information of the Board.

Minimum Salary Fund. No man may now or in any future date, share in the Minimum Salary Fund who does not pay the assessment, unless he can satisfy the Committee that he is unable to pay it.

HENRY THOMPSON CARLEY

Henry Thompson Carley, son of Reverend Lyman and George Ann (Thompson) Carley, was born near Columbia, Mississippi, December 13, 1878. He was one of a family of five children, three sons and two daughters. He was the last of the three sons, all having died within a period of a year and a half. Both daughters, Mrs. Stephen S. Thomas and Mrs. Carlos Wittenmeyer, live in Lebanon, Ohio.

Dr. Carley was educated at Millsaps College, receiving the A.B. degree in 1899, and the honorary D.D. degree in 1921; and at Vanderbilt University where he received the B.D. degree in 1902, and was awarded the Founders Medal for having made the highest grade of his class for the three-year course.

On June 12, 1907, he was married to Miss Elizabeth Camille Kling whose father was a prominent business man and planter of Satartia, Miss. To them was born a daughter, Camille Kling, now Mrs. J. R. Pennington, and she and her husband continue to occupy the Kling home in Satartia.

His death occurred at Satartia, August 28, 1953. Funeral services were held from the Methodist church the following day with the pastor, Rev. C. R. Franklin, in charge, assisted by Rev. T. O. Pruitt, Superintendent of Vicksburg District, and by Rev. W. L. Duren of New Orleans, lifelong friend and fellow member of the Louisiana Conference. A number of Mississippi Conference ministers served as an honorary escort. Following the service, the remains were carried to Yazoo City and interred beside his wife, and there the two await the Resurrection morning.

Dr. Carley's life story is that of a unique and varied record of Christian service. Born and reared in a Christian home, his conversion came about as a normal development of his life. He was licensed to preach by the Vicksburg District Conference which

met in Utica, Mississippi, June 15, 1899, E. H. Mounger, Presiding Elder, and he was admitted on trial into the Mississippi Conference at Natchez, December 12, 1902- the day before his twenty-fourth birthday. By Conference dates, not years of actual service, his appointments in Mississippi follow: 1902, "Simpson" which included Braxton, D'Lo, Mendenhall, and Weathersby in Simpson county; 1903, he was ordained a local deacon by Bishop Joseph S. Key, and appointed to Satartia; 1904, received into full connection and returned to Satartia; 1905, Redd Street, Hattiesburg, but was transferred to the Louisiana Conference in July 1906 to fill a vacancy which had occurred at Parker Memorial Church, New Orleans.

His service record in Louisiana was: 1906, ordained an elder by Bishop Seth Ward, and returned to Parker Memorial Church; 1907-1909, Carrollton Avenue Church, New Orleans; 1910, Louisiana Avenue Church, New Orleans; 1911-1917, Professor of English and History in Centenary College at Shreveport; 1918-1927, Editor, New Orleans Christian Advocate, and during 1922-1924, he had Felicity Street church in addition to his editorial assignment; 1928-1931, Presiding Elder, Shreveport District; 1932-1933, Presiding Elder Monroe District; 1934, Trinity Church, Ruston, from which he was released at his own request the latter part of August 1935; 1935-1939, Associate Editor of The New Orleans Christian Advocate, and for the first year of that period he was Superintendent of Central High School of Satartia, Mississippi; 1940-1943, Ponchatoula; 1944, First Church, Tallulah, from which he was released in April, 1945, on account of a break in his health; and at the Conference of 1945, he was granted the retired relation. He was a delegate to the General Conference of the Methodist Episcopal Church, South, in 1930, and for a number of years he was the educational leader of the Louisiana Conference.

His record of service shows that he was a man of distinction and character, and that his leadership in the conference was not due to accidental circumstance, but to a recognition of his commanding ability and integrity. His manner and style were such that the humblest found themselves at ease in his presence. His ministerial relation secured for him a general credit for ability and character, but the esteem in which he was held cannot be explained by conventional attitudes toward the ministerial calling. He was a man of more than ordinary natural ability, and his scholastic attainments were of a high order. His winning the Founder's Medal at Vanderbilt University, his seven years as a professor at Centenary College, and his ten years' service in the more exacting position of journalistic leadership, are unmistakable signs of his ability and attainments. He was not an orator, but he was a clear thinker and a forceful writer. His editorials were interesting and informative discussions of current and vital topics,

and they were enriched by restrained and wholesome humor.

His insights and observations reflected an almost uncanny understanding of the psychology which underlies the actions of men, but he was not a censorious critic of their faults, and he seldom shared his judgements even with his close personal friends. He exhibited a charitable attitude toward those who did him wrong, and he chose to suffer wrong in silence — not to seek satisfaction in resentment.

His ministry was not one-dimensioned, his pulpit efforts were greatly reinforced by the simplicity of manner and obvious sincerity, and he met men upon their own plane — he talked the language which they understood. Perhaps the most striking and characteristic mark of his administrative work was his ability to harmonize discordant groups and to direct their activities toward constructive ends. Thus, he achieved his goals without trimming his sails, or deviation from the fundamental commitments of his life.

Dr. Carley's home life was a radiant fellowship of kindred spirits happily adjusted to common ideals and impulses, a daily expression of family devotion and of faith in God. After Mrs. Carley was translated, their devoted and lovely daughter took over the responsibilities of the home, as only such a daughter could. Having shared the devotion of her parents and having loved their friends, she made of the ancestral house the home that it had been across the years. Dr. Carley's home was vastly more than his castle, it was his world. After his wife passed away, his friends realized that something real had gone out of his life. He was not morose and he did not make his friends sharers of his sorrow, but his loneliness was evident. Arranged on his desk to the last day of his life, were the likenesses of those who made up his symphony of domestic love and happiness,

Less obvious but not less genuine than his devotion to those of his own household, was his devotion to his old friends, and his loneliness increased as their faces disappeared from the earthly horizon. He was one of the "Nine of ninety-nine" at Millsaps College and to the end, the mention of their names awakened happy memories of those care-free days. At the commencement of Vanderbilt University in 1952, he experienced a great thrill in the ceremony which honored him as a "Quinq" — a graduate of fifty years.

When learned that he gravely ill and that an operation had been decided upon, he faced the situation "as a good soldier of Jesus Christ." Three days after he had received the report of his doctors, he wrote a letter in which he told of his malady and of the decision to operate, and then added: "It may turn out all right, or it may not. In any event I am not disturbed. I love the present, but I am not afraid of the future. So, everything is all right." In the

spirit and assurance of that eloquent testimony, he joined his loved ones beyond the River. He left to his sorrowing family and friends a heritage of worthy achievement and inspiration of an unshaken faith in the goodness of God, and in the sufficiency of Redemption for the meeting the needs of man in affliction, even in the shadow of approaching death.

As a fitting and beautiful conclusion for this memoir, we quote the last paragraph his editorial tribute to his mother:

"No, mother is not dead! She has gone to heaven. What a difference it makes! She is asleep for a while — asleep in Jesus — and when she awakes, it will be in the home over there, the home she has read about and talked about, the home to which she said she would be glad to go when the master called her. It is a beautiful home because beautiful mother is there. She is perfectly happy there for it is God's home, and she is not suffering the pain she suffered on earth, and she still looks down upon us with the love she has loved us with always. And she is watching for us to come Home.

"Yes, Mother, we are coming."

WILLIAM L. DUREN

ALVIN HATLEY PARKER

Alvin Hatley Parker came into this world March 19, 1872, in Butler County, Alabama. He was educated at Bluntsville, Alabama and at Southwestern College in Georgetown Texas. He was married on April 14, 1897 at Center, Texas, to Miss Nanny Hollis.

In 1904 he was ordained minister in the Congregational Methodist Church but soon transferred to the Louisiana Annual Conference of the Methodist Episcopal Church, South, and was appointed to the Dry Creek Mission near Oberlin, Louisiana. He served three pastorates in Louisiana and then transferred to the New Mexico Conference, and then to the Texas Conference, returning in a few years to Louisiana, where he remained for the rest of his life.

His pastorates in Louisiana included churches at Gibsland, Greenwood, Colfax, Coushatta, Belcher, Bossier City, Mer Rouge, Leesville, and Cotton Valley.

It was while he was in the latter pastorate that he was stricken with the illness which forced his retirement. He then returned to Bossier City, where he remained the rest of his life, with many of his children close beside him. He was released from many years of suffering on July 21, 1953.

By Brother Parker's own choice, his pastorates were not lengthy, for he loved to move on to new experiences and to new people. What his pastorates lacked in length, he more than compensated for by the quality of his life and ministry. He was known and loved for his genuineness, his kindly interest in everyone, his strong convictions, his good sense of humor, and his love for all of those

little blessings of life and love that too many take for granted. He loved all children and was especially attentive as a father.

To one so in love with life and with people it must have been a great trial to be stricken by illness while still in his active years and forced to remain in a sick bed for nearly one-third of his life. Yet he was not one to complain. Rather, he transformed his sick-bed into a pulpit from which his quiet patience, his good cheer, his sense of humor, and deep faith radiated a message of courage and trust. He suffered long — and was kind. He learned even in pain the secret of "bearing all things, enduring all things", and tho' he could only see through a glass darkly, still he felt the presence of one whom some day he would see face to face. The same faith which he proclaimed as he comforted many a sorrowing heart in his active ministry, comforted him in his illness, and remains to comfort his family and friends. He has indeed fought a good fight, he has finished his course, he has kept the faith. Henceforth there is laid up for him a crown of righteousness which the Lord, the righteous Judge, shall give him in that day, and not to him only, but to all of them also that love his appearing.

ALFRED M. BROWN

FRANKLIN NUTTING PARKER

Franklin Nutting Parker, son of Linus and Ellen Katherine Burruss Parker, was born in New Orleans, May 20, 1867. He was the youngest of a family consisting of three sons. His grandparents, with the exception of his maternal grandfather, were from New England. Rev. John C. Burruss, a native of Caroline county, Virginia, was baptized an Episcopalian, but when he was converted he joined the Methodist Church, later becoming an itinerant minister. His labors covered Western Virginia, East Tennessee, North Alabama, Mississippi, and Louisiana.

Franklin Parker's father was born in Rome, New York, and his mother in Courtland, Alabama. When Linus Parker was sixteen, being rather frail, he was sent to live with a relative in New Orleans. Not long after his arrival, he volunteered for service in the Mexican War under General Zachary Taylor. After the war he returned to New Orleans and later became a minister of the Methodist Episcopal Church, South. From December 26, 1849 to May 18, 1882, when he was elected a bishop, he served appointments in Louisiana, including twelve years as editor of the New Orleans Christian Advocate. He continued to live in New Orleans until his death, March 5, 1885.

Such was the ancestral and cultural inheritance of Franklin N. Parker who received his elementary training at home and in the schools of his native city. Little is known of his college work, except that he attended "Centenary College of Louisiana, at Jackson, 1883-84; Tulane University, 1885; and Vanderbilt University,

1885." He held no earned degree, literary or theological, but honorary degrees were conferred upon him by Centenary College, Trinity College, and Emory University. He was also elected as an honorary member of the Phi Beta Kappa Society of Emory University.

He was married to Minnie Greves Jones, of Baton Rouge, La., December 20, 1899, and to them two daughters were born: Mrs. Nell P. Stipe, and Mrs. Margaret P. Winn, both living in Atlanta, Georgia. Other relatives include three nephews: John Roland, Parker, New Orleans; Dr. William Paxton Parker, and Fitzgerald S. Parker, Jr., Nashville, Tenn.; and a number of grand nephews and nieces.

Dr. Parker's religious development was somewhat different from what might have been expected. He was a son of devout Methodists of that day, and his father was an outstanding leader of the Church, but he made no profession of faith until his seventeenth year. The records of Felicity Street church show that he was received on profession of faith, Jan. 25, 1885, by S. H. Werlein, and he was licensed to preach by the quarterly conference, May 11, 1885. Between the time of his uniting with the Church and his being licensed to preach, his father died and that event had much to do with determining his subsequent course.

He was admitted on trial by the Louisiana Conference at the session in Baton Rouge, Jan. 6-11, 1886; was ordained a deacon by Bishop Joseph S. Key at Shreveport, Jan. 8, 1888; and was ordained an elder by Bishop W. W. Duncan at Baton Rouge, Dec. 15, 1889. His appointments by conference dates follow: 1886, Patterson; 1887, Morgan City and Patterson; 1888, Carrollton Ave., New Orleans; Dec. 1888-1889, Carrollton Ave. and Parker Chapel; 1890-1891, Parker Chapel; 1892-1895, Rayne Memorial Church; 1896-1898, Baton Rouge; 1899-1901, Carondelet Street church, New Orleans; 1902-1903, presiding elder Baton Rouge district; 1904 Monroe; 1905, presiding elder Crowley district; 1906-1909, presiding elder New Orleans district; 1910, Alexandria; 1911-1914, professor of Biblical Literature, Trinity College, Durham N. C.; 1915-1918, professor of Systematic Theology, Candler School of Theology, Emory University; 1919-1937, dean of Candler School of Theology; and 1938 to March 1, 1954, dean emeritus. After his retirement as dean, he taught systematic theology full time for five years, and part time for ten years — until 1952.

To understand Dr. Parker, one must see him in action, not judge him by glimpses at the crossroads. At seventeen years of age, he presented himself at the altar of his church as a man with a definite experience of salvation — as having won victory over sin in his own life. At nineteen, he was a pastor in the Louisiana Conference, and when he had been fifteen years in the Conference he was in a top appointment and was a delegate to the third decennial Conference of the world-wide Methodism. He

had gained recognition as a leader, although he was only a pastor in one of the less developed areas of the Church. His spiritual surrender was complete and effective, the beginning of his lifelong dedication to Christian service. No factual graph can explain such a record of progress, neither can it account for the stature which he ultimately attained .

A notable example of his independence and decision of character occurred at the General Conference of 1918 when he refused to accept consecration as a bishop. He was the son of a bishop and he was an outstanding leader in his own right, but he declined, simply and firmly that he did so "Solely on the ground that he deemed himself not qualified to serve in the office to which he had been elected." Under ordinary circumstances, that statement would have eliminated him from future consideration for the episcopacy, but he received 90 votes on the first ballot for bishops at the General Conference of 1922. His friends tried to prevail upon him to accept consecration in the event of his election, but he declined to permit further consideration of his name in the voting. He had declared once and for all that he "deemed himself not qualified to serve in the office."

Probably the most amazing fact of Dr. Parker's life was his role in the field of religious and theological education and education. In the twentieth century, very few men without an earned college degree have risen to such eminence in that important and difficult field. His educational leadership would not have been surprising a century earlier when the educational process was individualistic and no system of credits had been established, but the case was vastly different in 1911, when he went from a pastorate in Louisiana to a chair of Biblical literature and then, step by step, to a chair of systematic theology, to the top administrative position in Candler School of Theology, and to a place of Church-wide influence in the field of theological education and ministerial training.

He did not have the credits needed for a degree and, in that respect, his education was technically incomplete. On the other hand, education, with or without a degree, is more a matter of cultural discipline than of college credits. His formal training was sufficient for him to have acquired a practical understanding of the disciplines of education and, in addition, he had read Carlyle, Gibbon, Macaulay, and other English Classics before he entered college. Obviously, his intellectual alertness and his pre-college cultural development made his lack of college credits less significant than it might have been otherwise. It is wide of the mark to assume an educational deficiency simply because he did not receive a certificate of graduation. He was a man of superb education and his educational leadership rests upon solid foundations. His record of service is proof of his intellectual and cul-

tural stature. He was not an accidental find, he was a man developed by an uncanonical process.

Dr. Parkear's interest in people and his insight into human character and conduct was baffling to some of his friends, since he had made no formal study of the social sciences. While no absolute explanation is possible, it appears to have been a development which had its beginning in his early teens. At that time the stories of Charles Dickens were appearing as pamphlet serials and he was so fascinated by them that he read every one that he could obtain. Once he was asked: "How can you understand the human heart so well?" and he replied: "I ought to, I've had one a long time." That modest and half evasive answer seems to have been a flashback of the days when Dickens, intriguing stories of the English poor captured his imagination and his heart. He saw the poor through the eyes and the sympathies of Dickens, and the horror on account of their sufferings turned their coarseness and crime into reason for pity. They were soiled and sordid in character, but he saw them as, "Creatures fresh from the hand of God and waiting for the breath of life." He seems to have planned his life, met his disappointments and made his readjustments under the spell of the social impressions of his youth. Well might he have said of his rendezvous with Dickens, as Jacob said of Bethel, "Surely the Lord is in this place; and I knew it not."

Dr. Parker's preaching was individual and unconventional in style, but it was preaching at its best. It bore the stamp of his unequivocal commitment to the doctrine of salvation through the merits and suffering of Christ, but he was not a "reactionary". He emphasized Christian experience as being essential to character, and he preached and taught the theological formulas of St. Paul, not as a mere philosophy of divine relations, but as the personal experience of an embattled soul in a struggle not unlike that in which he was himself engaged. His preaching reflected the study and massive thinking of Canon Liddon of the Anglican Church and the theological emphases of Bishops Keener and Wilson of his own Church. They influenced him because they preached with a note of authority, not as uncertain and groping explorers of mystic unrealities.

As a teacher, he used freely and understandingly the vast treasures of theological literature, but his own Christian experience provided the key for their interpretation. He accepted the New Testament as the rescript of divine authority and he was a bulwark of strength against the upsurge of rationalistic criticism which tended to discredit that authority during the early years of Candler School of Theology.

Such was the faith and such the character of the man whom Louisiana Methodism gave to the Church and to the world. He was truly one of the remarkable men of his day and generation.

It is a great tribute to him and to his service that the only endowed chair in the Candler School of Theology bears his name and, best of all, that the endowment was given by hundreds of his students and others who knew him and loved him. The memory of his courageous faith and undeviating loyalty to Christ will continue to rest in benediction upon those who were touched by his ministry, and his fidelity to Truth will be an abiding source of inspiration for those whom he trained for service in the Master's kingdom.

Converted and united with the Methodist Church, January 25, 1885; licensed to preach, May 11, 1885; at Vanderbilt University for theological study, September, 1885; on trial in the Louisiana Conference, January 1886; twenty-four years an itinerant minister in Louisiana; four years a professor of Biblical Literature; four years a professor of Systematic Theology, sixteen years dean, and seventeen years dean emeritus in a great "school of the prophets"; seven times a member of the law-making body of Methodism; twice a spokesman for America in the decennial Conference of world Methodism; a leader in planning and effecting the reunion of American Methodism; sixty-six years an official servant of Methodism; and for more than fifty years a trusted counselor of Methodist hosts. What a record! What an inspiring story of Christian conquest! It is no wonder that he was offered an ecclesiastical crown; but, being the man he was, it is not surprising that he chose fellowship and service with the men in the ranks rather than the miter and the crosier.

In the early morning hours of March 1, 1954, the old soldier passed in triumph through the heavenly gates and, as one can well imagine, to the chanting of angels:

"Soldier of Christ, well done
Praise be thy new employ;
And while eternal ages run,
Rest in thy Saviour's joy."

STEELE HENDERSON YOCKEY

October 16, 1953 was the date a priestly and peerless soul turned heavenward reaching for the "crown of righteousness, which the Lord, the righteous judge, shall give that day." For Steele Henderson Yockey had "kept the faith;" had "finished the course."

Brother Yockey's career began in 1858 when he was born in Salina, Pennsylvania. Little was recorded of his early life, but, as an adult, he moved to Colby, Kansas where he served as postmaster for a time. However, it was "go West, young man, go West" for him and in 1894 he landed in Baker, Oregon where he joined the Free Methodist Church. It was also there that he wooed and won the heart of Miss Sarah Whittaker, who was his helpmeet for the fifty-eight remaining years of his life.

While still in Oregon, Brother Yockey was called into the ministry of the Free Methodist Church. He became a member of the Columbia River Conference when the Methodist Episcopal Church recognized his orders as an elder, and in 1901 he was appointed to the church in Ephrata, Washington. In 1910 he transferred from the Columbia River Conference to the Southern Conference, and in September of the same year he became shepherd to the flock of the Midfield, Texas Methodist Church.

The Southern Conference was his home until after his retirement in 1929, at which time he was serving in Ebenezer, Louis-

iana. Mr. and Mrs. Yockey then lived in Lake Charles, Louisiana, later moving to Rodeo, California to be nearer to their only son.

It was while in Lake Charles Brother Yockey's eyesight began to show definite signs of fading. Such a condition continued until he spent the last eight years of his life in total darkness. He was 94 years, 8 months, 3 days old when he died of a stroke in a Martinez, California hospital.

There was no Methodist Church in Rodeo at the time of his death, so it was a Presbyterian minister who read his eulogy and funeral service. He is interred in the Sunset View Cemetery of El Carrito, California. His wife and son, Ralph, survive him. One daughter died in Houston, Texas in 1937.

'Tis said it is a duty to feel grateful, but it is a privilege for me to feel grateful for having known Brother Yockey. He was a wise and watchful father; his religious experience was positive, definite, and inspirational. He wholly accepted Wesley's teaching of Christian perfection, and those who knew him realized it in his daily life.

Truly, a fine man is gone!

C. W. RODGERS

GEORGE P. WHITE

Rev. George P. White was born September 18, 1867 near Woodville, Mississippi. Died in Hammond, Louisiana, June 28, 1953.

His parents were devoted Christians. They belonged to and worshipped at the Methodist Church near Woodville, Mississippi.

From his family came two Methodist preachers, the late Rev. M. L. White, of the Mississippi Conference and Rev. George P. White, of the Louisiana Conference.

Rev. Geo. White united with the Methodist Church when a boy, but he testified that he did not have the blessed assurance of his salvation from sin until later in the revival service.

He was licensed to preach when a young man and served as a Local Preacher for many years. In 1909 he was admitted to the Louisiana Methodist Conference and given New Roads as an appointment. While serving the New Road appointment he became well acquainted with that area between the Mississippi river and the Atchafalaya river where Protestants are few and scattered. His experience with this missionary area caused the Louisiana Conference to continue him in this field largely through his active ministry.

Bro. White was married to Miss Flora Hyde of Tangipahoa Parish, April 10, 1894, who preceded him in death June 19, 1944. To them were born eight children; five of whom survive them — Tom White of Baton Rouge, Sam A. White, Dr. E. E. White, Mrs. V. E. Pregeant all of Hammond and Mrs. T. R. Pregeant of Donaldsonville, Louisiana.

At the Conference in 1925, Bro. White, being in poor health, retired and moved to Hammond. Later his health improved permitting him to work on a farm, but the work soon proved to be too heavy for him. He left the farm and began to live with his children. Fortunately there is a large Men's Bible Class at the Hammond Methodist Church and Bro. White became a member of this class. The men of the class learned to love him and during his last years he was the beloved old preacher among the men of the class.

Rev. White was gifted in several ways.

He knew how to make friends and to hold them after he made them. As a conversationalist, he was an "Autocrat of the Breakfast-table."

He was a man of a clear, logical mind. He was slow to speak, but when he spoke his words showed clearness of thought and wisdom.

He was a man of wit and the members of his class thought of him as the witty old preacher.

His funeral was conducted by his pastor, Rev. Fred S. Flurry, assisted by Rev. R. S. Walton, Rev. T. D. Lipscomb and Rev. C. L. Stayton of the Presbyterian Church and Rev. Edward Harris, Baton Rouge District Superintendent.

His body now rests beside his devoted wife in the Magnolia Cemetary, Baton Rouge, Louisiana.

MRS. W. H. BENGTON

Mrs. Edna Selma Hake Bengtson, daughter of Mr. and Mrs. George Hake, was born on January 23, 1898 on a farm near Hagleton, Illinois. She died on December 28, 1953.

The influence of a christian home and the nurture of the Methodist Church led her to accept Jesus Christ as her personal savior and friend early in childhood. She became a member of the Methodist church in 1910.

Mrs. Bengtson was educated in the public schools of Washington County Illinois and later graduated with high honors from the Nashville, Ill. High School. Attending college one year she secured a teacher's certificate and taught school until the fall of 1921 when she became again entered college. She was graduated from Central Wesleyan College, Warrenton, Missouri, in June 1924 with a B. A. degree in "English" and "Bible and Religion." Her excellency of work merited her the "Magna cum Laude" honors.

She gave her hand, heart and love in marriage to the Rev. W. H. Bengtson, a deacon in the Southern Conference of the Methodist Episcopal Church, on November 22, 1925. Her native ability, early training, deep consecration and faithful prayer and study habits eminently fitted her to take her place with her husband in the ever widening and demanding experiences in the life of a minister's

family. With her husband she served in four pastorates in the twenty-eight years of life as the wife of a Methodist minister. On each of these churches and communities she made a lasting impression of steadfast goodness and her never-failing kindness. In the memory of all who knew her there is a deposit, fragrant and beautiful that only a lovely christian woman could leave behind her.

Mrs. Bengtson is survived not only by her husband, but also by two sons; Robert, Methodist minister, and George, 1st Lt., U. S. A. F.; and two daughters: Dorothy and Margery, both college students; three sisters and one brother.

Truly the writer of the Proverbs knew someone like Mrs. Bengtson when he wrote: "Her children arise up, and call her blessed; her husband also, and he praiseth her. Favor is deceitful, and beauty is vain; but a woman that feareth the Lord, she shall be praised. Give her the fruit of her hands, and let her own works praise her in the gates."

MRS. J. T. GARRETT

Mrs. J. T. Garrett was born April 21, 1887 near Pineville, La. Her maiden name was Fannie Ellen Nally, daughter of Rev. O. W. and Lottie Corley Nally. She was converted and joined the Methodist Church when about 15 years of age.

On May 1, 1904 she was married to J. T. Garrett and to this union was born seven children, three of these preceeding her in death, but she has left to survive her and cherish her memory, her husband, Rev. J. T. Garrett of Chatham; and the following children: Mrs. Odera Fader of Houston, Texas; Rev. J. T. Garrett, Jr. of Big Sandy, Texas; Rev. Roy L. Garrett of Emory University, Georgia; Rev. Troy B. Garrett of Chatham, La.; seven grand children, one Great grand child, six sisters and three brothers.

Her devotion to the Church and her Lord grew into an amazing consecration through the years, so that in the Sunset hour of her life her Coronation in the Church Triumph was but a short and beautiful step through the doorway of death.

For the past thirteen years Mrs. Garrett was the mistress of the parsonage home in Chatham. During that time the work grew from a four point circuit with inadequate church and parsonage, to a station with a beautiful new Church and a lovely modern parsonage. In the new parsonage, as in the old, Mrs. Garrett was the same patient, quiet, gentle, loving wife and mother. Her hospitality was genuine and sincere and her home was happy and secure.

Mrs. Garrett gave three sons to the ministry and one daughter to the Medical profession, but never did she cease to carry a large part of the responsibility in her own Church, Woman's Society and Church School. The quiet waters of her serene soul ran deep and one could always feel in her home the invisible strength of a

consecration which made real there, the Kingdom of God. And there was not only beauty within the parsonage, but in its yards as well, for she was a lover of flowers and they seemed to know it for they responded to her gentle touch and grew into magical beauty with amazing swiftness.

As Mrs. Garrett's health began to fail she bore her illness with Christian Grace and her concern was always for her loved ones and never for self. And so it was that in the quietness of the night in the serenity and peace she slipped away into that "Land that is fairer than day" where she waits in the Father's House for those who love her most to join her there.

MRS R. H. HARPER

LUKE 19: 12

"A certain nobleman went into a far country to receive for himself a Kingdom and to return".

When word came that Mrs. Harper had gone, these words flashed into my mind; and with them the realization that she was now freed from all earthly confinements and able to enjoy the entrancing vistas that have now assuredly opened out before her.

Our friend was one of those staunch soldiers of Jesus, that the world can ill afford to lose at this stage of the battle. She both knew and loved her Lord, and had a remarkable perception of things spiritual. It has been my privilege to know her these last ten years, and we had a rich companionship in the Word of God. She was a student of the Bible; she and I saw eye to eye on many things in the Word of God; and she has been a blessing to me in my ministry.

If Heaven is the ability to enter more fully than was possible here into the delights of the spiritual life and into closer communion with God, then we know that today hers is a rich experience. The limitations of the flesh have gone forever. The uplifted spirit no longer chafes against the confines of this world like an imprisoned bird flutters against the bars of its cage. Her spirit today revels in spiritual fullness. What more can we say of that but with the Psalmist:

"I shall be satisfied when I awake with Thy likeness"
or with Richard Baxter, who said:

My knowledge of that life is small,
The eye of faith is dim
But 'tis enough that Christ knows all,
And I shall be with Him".

As we think of the years of service along-side her husband in good years and bad, in joy and sorrow, victory and defeat, steadily sowing the seed of life everlasting; what a glorious re-

cord. What a kingdom she will receive and best of all, as she firmly believed: "She will return with her Lord".

It is well believed in that with the life beyond, men will enjoy it according as they have developed or failed to develop their capacity for God and things spiritual. Then what a joy to know that Mrs. Harper can so fully and completely enter into the joys of her Lord, for she has developed the capacity for it. And we have the promise of Jesus: "Let not your hearts be troubled; ye believe in God"

O Paradise, O Paradise,
Who would not crave for rest:

Who would not seek that happy land, where they that love are blest, where loyal hearts and true, stand ever in the light; All rapture thru and thru, in God's most holy sight.

Mrs. Harper was a daughter of Mr. Henry Skipworth and his wife, who was June Dick DuBose, a relative of Bishop DuBose. She was married in 1905 to Rev. R. H. Harper of the Louisiana Annual Conference, and died in New Orleans, February 25, 1954. Interment was in the family plot in Magnolia Cemetery in Baton Rouge. She is survived by her husband, her son Robert E. Harper of Washington, D. C., a grandson Robby Harper, and two sisters. Mrs. Ann Bissat of Lafayette, and Mrs. C. C. Herndon of Shreveport.

N. H. MELBERT

MRS. W. C. MASON

Mrs. Edith Hysell Mason was born January 28, 1906 in Putney, W. Va. She was the daughter of Harvey Benson Hysell and Elizabeth Ritz Hysell. She was reared and educated in and around Charleston, W. Va. In 1935 she was married to Rev. W. C. Mason of Virginia. She came to Louisiana with Brother Mason in November of the same year to take work in the Louisiana Conference. Together they served the following appointments:

Lockport, Haughton, Marksville, Gordan Avenue — Monroe, Memorial Methodist Church — Monroe, Clinton, Ferriday, McGuire Memorial — West Monroe, and Plain Dealing.

Those who knew Edith Mason loved her very much. She was a radiant person with an unusual sense of humor. She had the ability to appreciate the serious side of life, for she was deeply religious. She had the ability to see the funny side of life, for she had a native ability to enjoy the human things that make life so interesting and amusing. Edith Mason never lost that sense of humor. Even in her deepest suffering before her death, she would say things that would make those around her laugh. Those who knew her best associate her with laughter and joy. Edith lived in a happy world, for she had a happy heart. She made it her business to paint the dark clouds with sunshine. "The

Sun of Righteousness had arisen with healing in his wings"! Edith knew him and was glad!

Mrs. Mason was converted when she was eighteen years of age while she was sitting in the pew of the Methodist Church of Putney, W. Va. during a prayer and testimony Meeting. Those who saw her said that her face was alight with the glory of another world. "Her face was like the face of an angel", they said.

She fell in love with a young Methodist preacher, the Rev. W. C. Mason, and came with him to Louisiana. The Rev. and Mrs. Mason have one daughter, Mary Ella, who is now 15 years of age.

She appreciated so much the many fine things done for her by the splendid members of the Methodist Church in Plain Dealing. She slipped away to be with God on the morning of February 9th, 1954. If she could speak to us from beyond the veil, I think she would say in the words of the Poet, Martha Snell Nicholson:

"I would not have you grieve for me today
Nor weep beside my vacant chair.
Could you but know my daily portion here
You would not, could not, wish me there.
"I know now why He said, "Ear hath not heard".
I have no words, no alphabet.
Or even if I had I dare not tell
Because you could not bear it yet.
So, only this — I am the same, though changed,
Like Him! A joy more rich and strong
Than I had dreamed that any heart could hold,
And all my life is one glad song.
Sometimes when you are talking to our Lord
He turns and speaks to me.....Dear heart,
In that rare moment you and I are just
The distance of a word apart!
And so my loved ones, do not grieve for me
Around the family board today;
Instead, rejoice, for we are one in Him,
And so I am not far away."

MRS. VIRGIL D. MORRIS

On April 16, 1907, there was born to Mr. and Mrs. C. B. Emmerich of McComb, Miss. a daughter, who was named Fannie Elizabeth. She was the youngest of the four children and the only daughter. Her brothers were J. Oliver, Charlie O., and Earl B. Being the only girl and the youngest, she was somewhat the pet of the family and always well beloved by her brothers.

She attended the Public Schools of McComb where she graduated from High School. As a child she joined the Centenary Methodist Church and grew up within it's fellowship.

She began her college work at Mississippi State College for Women, but later transferred to Mississippi Woman's College at Hattiesburg, from which institution she graduated in 1930. It was during her College years that she began to be called "Fae".

Mr. Emmerich was a Conductor on the I. C. Railroad, and in 1928 it became necessary for the family to move to New Orleans. After finishing College, and while living with her parents there Fae took a Business Course at Soule. Later she worked in the office of Dr. R. S. Crichlow, New Orleans District Lay Leader.

It was while working in Dr. Crichlow's office that she first met her future husband, the Rev. Virgil D. Morris who was then serving his first charge in Louisiana — the Delta Circuit. On Sept. 6, 1932 they were married in the Carrollton Ave. Methodist Church with which the Emmerich's had affiliated after moving to New Orleans. The ceremony was performed by the Rev. B. F. Rogers and Dr. W. L. Doss, Jr. — her pastor and the Presiding Elder of the New Orleans District.

From the first this seemed to have been an unusually happy union, and throughout the years her friends thought of Fae as a well-beloved and loving wife. To this union were born two children, Ouida Fae, on March 23, 1934 in New Orleans, and Virgil Dixon, Jr. on March 20, 1937 in Monroe while the Morrisises were living in Columbia. (Attendant upon the birth of both children Fae suffered serious illness. At the birth of Ouida Fae her very life was despaired of for a time.)

After leaving New Orleans the Morrisises served the church at Columbia for five years, Lafayette First Church for three years, Homer for two years. In 1941 Mr. Morris was made District Superintendent of the Baton Rouge District which he served for four years, returning to the pastorate to serve First Church, Alexandria for four years. At Conference in June 1952 he was appointed D. S. of the New Orleans District.

Fae was always a gay and friendly disposition, and made fast friends wherever she lived. Her ready smile and out-going friendliness made her well-suited to being a minister's wife. As wife of the District Superintendent she won the hearts and affections of the Minister's wives of the District. In her they felt they had a true friend and confidante. She was a charter member of the "Parsonettes" of New Orleans as a bride. And twenty-one years later she was the well-loved heart of that group as the wife of the District Superintendent.

From time to time she held various offices in the local W.S.C.S. of which organization she served as Sec'y of Spiritual Life in First Church, Alexandria and Sec'y of Missionary Education at Rayne in N.O. She was Promotion Sec'y for the District while in Baton Rouge. She was also a member of P. E. O. — which she referred to as one of the happiest associations of her life.

Fae's twenty-one years of married life were full and happy ones. It was the family custom whenever possible to make some long and interesting trips in the Summer. In time every state in the Union was visited except three, and two trips into Canada were made. While living in Alexandria it was made possible for her to accompany her husband when he attended the Ecumenical Methodist Conference in London. A number of countries of Europe were included in the itinerary to make this a most delightful trip.

Another much anticipated trip was projected to Mexico City for the Summer of '53; but this trip was hardly begun before it was ended. On the second day in Mexico near Valles the Morris car was involved in a highway accident, and Fae met instant death. Her husband was seriously injured and the children much shaken up, but they responded nobly to the crisis into which they were so suddenly thrust.

Her radiant spirit, her gay humor, and so many little personal mannerisms remain vivid in our memory.

MRS. EARL B. EMMERICH

MRS. J. C. PRICE

Mrs. Annie Jane B. Price was born at Stringer, (Jasper County) Mississippi on September 10, 1869. She departed this life in Prothro Clinic at Pleasant Hill, Louisiana on February 15, 1954. Funeral services were conducted in the Zion Rest Methodist Church, with the pastor, Reverend W. F. Hall, officiating, assisted by Dr. B. C. Taylor and Dr. J. J. Rasmussen.

Mrs. Price came to Louisiana with her parents in November, 1889, and settled near the town of Pleasant Hill. She was married to Reverend J. C. Price on September 14, 1893. She was the mother of four children: Osto Price, (deceased); N. C. Price, Shreveport; Mrs. J. C. Tomlinson, Longview, Texas; and Mrs. M. E. Camp, Bossier City. There are also five grand children who survive her.

She united with the Methodist Church in youth, and lived a consistent Christian life to the end. Mrs. Price was an ideal minister's wife, working always with her devoted husband in the interest of the church. A family altar was established in the home at marriage, and for more than sixty years this altar was the center of the home. It was here that the children learned to pray, and today they are all faithful members of the Methodist Church. Her parsonage homes were beautifully kept, and friends who were privileged to share her gracious hospitality knew that in her were to be found all the qualities of Christian womanhood.

Death cannot put an end to such a life as Mrs. Price lived. Her devotion to God, the church, her family and friends, and her many other good works live on in memory and influence.
